Perspective On The Word Of God. Who Is The Word?

10 JANUARY 2019

We live in a world and a system that has saturated our minds in darkness. The bible says:

1st Corinthians 4:3. But even if our gospel is veiled, it is veiled to those who are perishing, 4. Whose minds the god of this age has blinded, who do not believe, lest the light of the gospel of the glory of Christ, who is the image of God, should shine on them.

When you really look at it, that scripture is applicable both to Christians and non-Christians even though the context is talking about those without Christ but that same God of the world seeks to blind Christians well from the truth. The word of God is the primordial force of creation, and Satan knows that if we can tap into the power of the word there is nothing that he can do that we cannot stop.

He blinds our minds in various ways of thinking especially in contrast to the word of God, so that we are unable to understand the truth of the word of God. Many Christians lack spiritual understanding! They lack the fundamentals that are necessary to grow them and develop them in life.

1st Corinthian 14:20. Brethren, do not be children in understanding; however, in malice be babes, but in understanding be mature.

He is saying this because spiritual understanding allows us to walk as the Lord would want us to walk. Let me show it to you:

Colossians 1:9. For this reason we also, since the day we heard it, do not cease to pray for you, and to ask that you may be filled with the knowledge of His will in all wisdom and spiritual understanding;

Why does He need to ask God to give us the knowledge of His will in all wisdom and spiritual understanding? Because to know the will of God and understanding it are two different things, you, may know that God wants you to go to Japan but you many not really understand the purpose. To know His will is for more different from understanding it!

Colossians 1:9. For this reason we also, since the day we heard it, do not cease to pray for you, and to ask that you may be filled with the knowledge of His will in all wisdom and spiritual understanding;

So that you can understand because without understanding you can't really do it.

Wisdom is the principle thing therefore get wisdom and in all your getting...

You may have Wisdom but without understanding it cannot work! Same thing with the word of God, without the right perspective it won't work. Let me show it to you:

Ephesians 5: 17. Therefore do not be unwise, but understand what the will of the Lord is.

Being unwise has to do with the lack of understanding in the will of God. Perspective on the word of God! How to view the word of God, do you know that some people see the word of God to be like any other book? They don't value the word of God because they don't have understanding. I must understand the nature of the word of God because that understanding will give me an advantage in life.

We may have the same people looking at the word of God different, some look at it from the shadow plane but others from a high mountain. If you study the bible and look at the Gospel of Jesus, they are telling a story about the same man but they are all different because of understanding. Even though the Holy Spirit was inspiring them yet their writing was coloured by their understanding. If you look at the Epistles, you can see how Paul communicates and how Peter does.

When you study the book of Luke you can see attention to detail, and the book of John you can see insight into the divinity of Christ because he had a revelation. We have so many Ministers of the Gospel but we all give expression to the word of God different based on our understanding. There is an understanding that the spirit gives.

1st John 5:20. And we know that the Son of God has come and has given us an understanding that we may know Him who is true; and we are in Him who is true, in His Son Jesus Christ. This is the true God and eternal life.

God can give you an understanding of the word of God. How to see the word of God! How to handle it! And how to treat the word of God! Not every way is the right way. What is the word of God?

What will become of your life if you really saw the word of God for what it is? You will never think in human terms because the mindset you have is what the word of God will make you. This is what the Lord wants for all His Children because we are offspring of the word, the seed of the word of God

1st Peter 1:23. having been born again, not of corruptible seed but incorruptible, through the word of God which lives and abides forever,

He is telling us by what we were born again; by the word of God. If you are born again that means you have become the Child of the word. The word of God is much more than letters because it gave birth to us in Christ, our identity. The agency that God used to get us born again was the word of God. I'm a child of the word that means by DNA I am the word of God. What is the word of God? What do you mean 'I'm the child of the word?' This is where the Lord begins to grow you in understanding.

John 1:1. In the beginning was the Word, and the Word was with God, and the Word was God.

According to me, nothing is as profound in describing the nature of the word as that verse. Notice that He gives the word of God first place.

John 1:1. In the beginning was the Word, and the Word was with God, and the Word was God.

How could a man come to such an understanding? In the Greek He is saying '*Logos* was God.' what is *Logos*? Logos is thoughts, or the expression of thoughts. *Logos* was the first!

1st John 1:1. That which was from the beginning, which we have heard, which we have seen with our eyes, which we have looked upon, and our hands have handled, concerning the Word of life-

This man is defining the word of life, and he says the word of life was with God and the word was God. He is actually saying the word is God. What is the word of God? The word is God. What would happen to you if your concept of the word of God was full?

John 1:1. In the beginning was the Word, and the Word was with God, and the Word was God.

This man is saying something very difficult to understand naturally. He is saying in the Greek '*arche emai logos, emai logos theos*' The words we have heard, the thoughts that have been expressed_ those very thoughts are God. When we define the word of God we are actually referring to God, the word of God is God. He is God in words!

John 6:63. It is the Spirit who gives life; the flesh profits nothing.

The value in life is in the spirit. What gives value in life is the Spirit. If you would do life by flesh there will be no profit because God is spirit, and you are spirit first. You are a spirit therefore you must function from your spirit first. Everything you do must start in the spirit!

John 6:63. It is the Spirit who gives life; the flesh profits nothing. The words that I speak to you are spirit, and they are life.

If you ever heard God speaking you heard life, you received life. Think about this: Jesus solved human problems with word; every human problem that He ever came across was addressed by words. He helped man with words! Lazarus was dead for four days but at His word he came out. The spirit is the word because it is the word that He releases that give life, and He said those words are spirit. What is the word of God? The Holy Spirit!

When the waves came He said "Peace be still" And the waves ceased. He was showing us the method of living. He was showing us the importance of words. How did God create the world? He spoke and they were created. There was no part of God that worked in creation_ His words did it all. Now you can understand what we mean when we say use the word! We are actually saying manifest God; express God.

Genesis 1:1. In the beginning God created the heavens and the earth. 2. The earth was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters. 3. Then God said, "Let there be light"; and there was light.

This is showing us how God created. Verse three is showing us how God created the Heavens and the earth. Have you ever thought about the force that those words carried? Creation is a product of Gods' words. Words are the primary and fundamental principle in creation. If He could create by words, He could also uncreate by words.

Genesis 1:3. Then God said, "Let there be light"; and there was light.

Notice that He never waited! Before He spoke light nobody knew what light was.

Genesis 1: 6. Then God said, "Let there be a firmament in the midst of the waters, and let it divide the waters from the waters." 7. Thus God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament; and it was so. 8. And God called the firmament Heaven. So the evening and the morning were the second day. 9. Then God said, "Let the waters under the heavens be gathered together into one place, and let the dry land appear"; and it was so.

How did He work? He worked with words therefore words are bearers of reality. In the words we speak are the results we desire. Think about it: Human beings are the only species that talk. The only species that can intelligibly process words are human beings. All animals communicate without vocalising intelligible words yet they understand each other. God could have made human beings that way as well but He didn't. He gave us the processing ability not only to form words but to express them. When God said 'Let there be light...' He was expressing Himself.

The manifestation of God is words. When Jesus was saying 'Be healed' He was expressing Himself. About four thousand years before there was a man named Joshua who stopped the elements. Think about it: God expresses Himself through words therefore His children must express themselves with His words! When I speak creation occur.

Joshua 10:7. So Joshua ascended from Gilgal, he and all the people of war with him, and all the mighty men of valor. 8. And the LORD said to Joshua, "Do not fear them, for I have delivered them into your hand; not a man of them shall stand before you."

Did you know that every word God spoke in the Bible we can make that word as ours? We can personalize and make that word ours.

Joshua 10:9. Joshua therefore came upon them suddenly, having marched all night from Gilgal. 10. So the LORD routed them before Israel, killed them with a great slaughter at Gibeon, chased them along the road that goes to Beth Horon, and struck them down as far as Azekah and Makkedah. 11. And it happened, as they fled before Israel and were on the descent of Beth Horon,

that the LORD cast down large hailstones from heaven on them as far as Azekah, and they died. There were more who died from the hailstones than the children of Israel killed with the sword. 12. Then Joshua spoke to the LORD in the day when the LORD delivered up the Amorites before the children of Israel, and he said in the sight of Israel: "Sun, stand still over Gibeon; And Moon, in the Valley of Aijalon."

Where did He get the boldness? Where did He master the insight to talk to the sun? He saw Moses. He was with Moses when the Lord said "Speak to the rock..." He knew there was a possibility in controlling the elements. He was under Moses_ it matters who you are raised under.

Genesis 10: 12. Then Joshua spoke to the LORD in the day when the LORD delivered up the Amorites before the children of Israel, and he said in the sight of Israel: "Sun, stand still over Gibeon; And Moon, in the Valley of Aijalon."

This was the man without the Holy Ghost! He spoke in the hearing of everyone.

Genesis 10:13. So the sun stood still, And the moon stopped,

How did the sun and the moon hear him? He was on earth yet the sun heard him. If you walk with God and you are the child of the word creation will respond. This is the only recorded time in the history of civilisation were the sun and the moon stood. If your words can reach Heaven, there is no place in the universe your words cannot go.

When Joshua spoke he was identifying with the ability of God. Remember that He upholds all things by the word of His power. God releases power through words! We are vessels for expressing God. If you understood what the word of God is_ Who the word of God is there is a certain reverence you will pay to the word of God.

Why is the word of God not working as it should in our lives? Firstly, it is because of the veil of the wicked one and secondly, we have no respect for the word of God. We have no understanding of what the word of God is. We have not come to the understanding and knowledge of what the word of God is.

We conquer with word and we are conquered by words. The progression of life is not determined by the circumstance but the quality of words that you speak. Life is a revolvment of words therefore the sustenance of the Christian man and woman are words. Let me show you something:

Matthew 15:29. Jesus departed from there, skirted the Sea of Galilee, and went up on the mountain and sat down there. 30. Then great multitudes came to Him, having with them the lame, blind, mute, maimed, and many others; and they laid them down at Jesus' feet, and He healed them.

Those who came without a leg went home with a leg. How did He do all this things? He used words! Do you know that your body is controlled by words?

James 3:2. For we all stumble in many things. If anyone does not stumble in word, he is a perfect man, able also to bridle the whole body.

Can you see how God define a perfect man? By his ability to speak! Sickness and heath are regulated by words. The tongue is like that rudder that controls the whole ship.

James 3:3. Indeed, we put bits in horses' mouths that they may obey us, and we turn their whole body. 4. Look also at ships: although they are so large and are driven by fierce winds, they are turned by a very small rudder wherever the pilot desires. 5. Even so the tongue is a little member and boasts great things.

See how great a forest a little fire kindles!

Science even proves this! They say the whole nerve system is controlled by the speech past of the brain. The problem is that we have been looking all over for help but you have realised that it has always been with you, your help is in your tongue. Your words will either put you over and stationary where you are. Can you see how you lift yourself up? In your room you can create the life of your dreams; you can speak yourself into your dreams

Matthew 4:3. Now when the tempter came to Him, he said, "If You are the Son of God, command that these stones become bread." 4. But He answered and said, "It is written, "Man shall not live by bread alone, but by every word that proceeds from the mouth of God.'" 5. Then the devil took Him up into the holy city, set Him on the pinnacle of the temple, 6. and said to Him, "If You are the Son of God, throw Yourself down. For it is written: "He shall give His angels charge over you,' and, "In their hands they shall bear you up, Lest you dash your foot against a stone.'" 7. Jesus said to him, "It is written again, "You shall not tempt the LORD your God.'" 8. Again, the devil took Him up on an

exceedingly high mountain, and showed Him all the kingdoms of the world and their glory. 9. And he said to Him, "All these things I will give You if You will fall down and worship me." 10. Then Jesus said to him, "Away with you, Satan! For it is written, "You shall worship the LORD your God, and Him only you shall serve."" 11. Then the devil left Him, and behold, angels came and ministered to Him.

The whole text, Satan was tempting Jesus about His nature. I want you to notice how many times the Lord Jesus Christ said "It is written..." Jesus used the word to defeat Satan. All Jesus did was quote scriptures to Satan and he left Him. He didn't leave Him because of the power of Jesus but because of the integrity of the word; Jesus stood on the trust worthiness of the word. What Jesus did was a pattern for all of us on how to defeat the Devil.

Many times the reason the demons that are attacking you aren't going anywhere is because you are not using the word. If Satan left because of the word, all other demons under Satan will leave because of the word. Notice that Jesus was quoting from the Old Testament, showing us the power and authority in the word of God. The word of God is given to us to use against forces that are against us in life.

Acts 20:32. "So now, brethren, I commend you to God and to the word of His grace, which is able to build you up and give you an inheritance among all those who are sanctified.

The word is able to build you! Which area of your life do you want to be built in? It is only the word of God on your lips that is as powerful as God. The word of God in your mind may be inspiring, the word of God in your heart may be comforting but it doesn't change anything. You may think about the word, it will inspire you but it will never change you. The word of God is a weapon not to be put away but to be used.

Joshua 1:7. Only be strong and very courageous, that you may observe to do according to all the law which Moses My servant commanded you; do not turn from it to the right hand or to the left, that you may prosper wherever you go.

You must be bold to use the word of God! You must be courageous to use the word of God! Those are the conditions for success: Boldness and courage.

Joshua 1:8. This Book of the Law shall not depart from your mouth, but you

shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success.

This is the way Joshua tapped into this power! He didn't say your heart nor your mind but your mouth. He is telling you how to always keep the word of God on your mouth: Meditate. Meditation must be something that has to do with the use of the mouth.

“This Book of the Law shall not depart from your mouth”

Mediation cannot be first thinking! Meditation has to do with the mouth, the word of God not departing from the mouth. For the word of God not to depart from my mouth that means I must talk it. True meditation is not focusing on your breathing like what other people are saying but it is talking the word of God.

Why is the Lord telling Joshua that: Let it not depart from your mouth? Because if the word departs from his mouth God departs from the scene, to keep God in the fight the word must not depart. Moses used the rod but Joshua must use the month. It is fine to read the word of God but that doesn't change anything, it only inspires and encourages you!

“This Book of the Law shall not depart from your mouth”

The sun and the moon stopped because God was already inside of him through the mediation of the word. Give the word of God expression! Let it vent through you! You want success in life, God told us how_ Mediation. Why do you need to meditate through speaking? Firstly, it is to bring order to you_ when you meditate, your life from within is ordered and you have the ability to confront external situations.

You need to learn to speak the word by yourself in your private space then you go publicly. You learn to speak Gods' language; Gods' language is not a language of defeat. This is how God wanted us to live, He lives by speaking. On the cross when he stopped speaking He died!

Perspective On The Word Of God.

22 JANUARY 2019

One of the reasons I'm teaching in this subject is so that you can understand what the word of God is, and also work the word of God out in our lives. The man who knows the Word of God in the man who is advantaged, we all agree that God is number one in the universe therefore we must also agree that His word of number one. We have to develop the right attitude and perspective when it comes to the word of God.

Think about this: Why did Jesus will that there be ministries on the earth? Why did He will that His people should have gatherings and His word should be taught? Because the only way to express divinity is through words. Words express God the best, and not just any kind of words but words ordained by the Spirit of God. When we read and look at the bible we are looking at a perfectly constructed material by the Holy Spirit for the allowance of Gods' breath in us.

There is no other way we can get God inside us except through His word, the more of His word we have the more of Him we possess. We must have a relationship with the word of God, not just a relationship but a very strong relationship. When we talk about fellowship with God, this is where it starts: In the word_ not prayer. When people think about fellowship they always think about prayer but prayer was not first

John 1:1 In the beginning was the word, and the word was with God, and the word was God

When we talk about fellowship with God we are talking about having a lively relationship with the word of God. This is a point where we are able to interact with the word of God. This is where true fellowship starts. It is when we fellowship with Him through His word. There is no any other base of us having a relationship with God expect through His word.

Have you realised that not many scholastic men are called into ministry, do you know the reason? Because God finds it easy to communicate His word to man who have not been mentally fortified. God did not use Moses when he was the prince of Egypt, the time he was learned in all the language of the Egyptians but it was only when he was Shepard boy that God used him. There is a certain level of humility that we must have

in our approach to the word of God.

2nd Timothy 5:10. But you have carefully followed my doctrine, manner of life, purpose, faith, longsuffering, love, perseverance, 11. persecutions, afflictions, which happened to me at Antioch, at Iconium, at Lystra--what persecutions I endured. And out of them all the Lord delivered me.

He is encouraging this young man about the state of the time he lived in but even though everything around seems to be changing for the worse, he says he must continue in what he has been taught.

2nd Timothy 5:15. and that from childhood you have known the Holy Scriptures, which are able to make you wise for salvation through faith which is in Christ Jesus.

You have to notice that at the time Paul was writing this, the New Testament was not yet written therefore he must have not been referring to the New Testament but the Old Testament.

2nd Timothy 5:16. All Scripture is given by inspiration of God,

How true! The five books of Moses, the bible says they were written by the finger of God therefore this were Gods' laws to His people.

2nd Peter 1:20. knowing this first, that no prophecy of Scripture is of any private interpretation, 21. for prophecy never came by the will of man, but holy men of God spoke as they were moved by the Holy Spirit.

When He says 'All scripture' you must remember that he is referring to the law and the prophets.

2nd Timothy 5:16. All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, 17. that the man of God may be complete, thoroughly equipped for every good work.

It doesn't matter what careers you are in, the word of God can fit right through in. There is no place in life where the word of God is not relevant. It is very important how we relate to the word of God because this is the deciding factor on whether or not you will be advantaged in life, remember the Lord is our advantage but He brings that advantage through the word. You have to learn to honor the word of God.

1st Thessalonians 2:12. That you would walk worthy of God who calls you into His own kingdom and glory.

You must understand that we do not share in the glory of angels nor in the glory of man, but he says as Children of God we share in the glory of God because He has called us to His glory.

1st Thessalonians 2:13. For this reason we also thank God without ceasing, because when you received the word of God which you heard from us, you welcomed it not as the word of men, but as it is in truth, the word of God, which also effectively works in you who believe.

This is the secret to the working of Gods' word in our lives. Notice that you can receive the word of God as the word of men and it will never have effect in your life because what you think you are getting is words coming from men. There is a direct correlation between how Gods' word works in our lives and how we relate to it.

1st Thessalonians 2:14. For you, brethren, became imitators of the churches of God which are in Judea in Christ Jesus. For you also suffered the same things from your own countrymen, just as they did from the Judeans,

This happened because they have come to receive the word of God not as the words coming from men but as the words of God. Familiarity is a disease of all progress; it poisons our progress. We are limited in life because we are familiar with the vessels that bring us the word of God. How we relate to the word of God and also those who brings us the word of God is very important.

Attitude matters! It is not about who is bringing Gods' word but whether or not what is coming out is Gods' word.

John 1:1. In the beginning was the Word, and the Word was with God, and the Word was God.

Every time I read that something inside me jumps because you can't get enough of that! He doesn't say 'In the beginning was God...' He seems to give priority to the word than to God. Let's look at what Moses says:

GENESIS 1:1. In the beginning God created the Heavens and the earth.

Why is there a contrast between the communication of Moses and the communication

of John? Because Moses only knew God_ He never knew the word.

1st John 1:1. That which was from the beginning, which we have heard, which we have seen with our eyes, which we have looked upon, and our hands have handled, concerning the Word of life—

John finally got something about Jesus, and he says that in the beginning was the word. Moses gives us the attribute of God as a creator but John doesn't put that as a priority. Moses sees the creator in the beginning yet John sees the word in the beginning. John had a higher revelation because he saw God for what He really is.

God said to Moses 'No man can see my glory and live' was it because of the awesomeness is His glory? No, it was because of the simplicity of His glory_ If God had shown Moses His glory, what was Moses going to see? He was going to see a man. Gods' highest glory is Jesus Christ therefore Moses could've seen Jesus.

Here is what He does: He wraps the word in flesh so that the glory can be beheld.

John 1:1. In the beginning was the Word, and the Word was with God, and the Word was God.

Until that word is digested into your spirit you won't get what he is really communicating to us because he is not saying 'In the beginning God was the *Rhema*' Moses only knew the part of God that spoke but what John is talking about is not Gods' part that speaks. He is saying 'In the beginning God was the logos'

If we would translate this as they did, we would say that the Father was not in the beginning because he doesn't mention the Father in the beginning. This tells us that the Father came second or the Spirit came after, these other revelations of God came after the word. God wants us to think about Him as the word because the word gives God His nature. What is nature? It is the essence of being. Our first revelation of the Father should be the word_ God is the word, the Father then the Spirit.

When we begin to think that way, the word of God begins to unfold itself perfectly. He cannot reveal Himself as the Father because that will confuse you but when you encapsulates Him in the word everything makes sense. He is the Father, the Son and the Holy Spirit_ Who is He? The word. The mystery of Godliness is solved at the revelation of the word.

Is there anything higher than God? Think about this scripture:

Hebrews 1:13. For when God made a promise to Abraham, because He could swear by no one greater, He swore by Himself, 14. saying, "Surely blessing I will bless you, and multiplying I will multiply you."

What then did He use to seal His word? He used His word. What do you think can bind God? Only His word. If anything can come out of God's mouth He must do it otherwise He stops being God, His credibility as God lies in His ability to perform His word.

Psalms 138:1. I will praise You with my whole heart; Before the gods I will sing praises to You. 2. I will worship toward Your holy temple, And praise Your name For Your lovingkindness and Your truth; For You have magnified Your word above all Your name.

In other words, all your revelation as God can be defined with the word therefore His word becomes higher than Him. We must come to develop an understanding of God as the word because that is the highest revelation.

Jude 1:14. Now Enoch, the seventh from Adam, prophesied about these men also, saying, "Behold, the Lord comes with ten thousands of His saints, 15. to execute judgment on all, to convict all who are ungodly among them of all their ungodly deeds which they have committed in an ungodly way, and of all the harsh things which ungodly sinners have spoken against Him."

He saw the Lord coming with ten thousands of His saints to bring execution and judgement upon all the ungodly. When was this time, and notice that He is talking about saints? This tells us that this is what we call the second coming of the Lord Jesus Christ.

We have heard many teachings about the second coming of the Lord Jesus Christ but the second coming is actually the one that Enoch prophesied where He comes with ten thousands of His saints. If Enoch prophesied the second coming, the first coming must have occurred. If He will come with His saints that means there is another coming where He takes His saints because it is with the very same saints that He is coming with.

If He is coming down with them that means there must have been a time where they were caught up. The saints are coming down with Him to execute judgement therefore He is not the only one executing judgement. I believe that the being that

John met in Revelation, and told Him 'I'm your fellow servant the prophet, do not worship me' I believe that was Enoch because this man never died. He has been with God for more than 70 000 years of human existence, He is the only one that can have so much mysteries about the earth and the world to come because He is living in the eternal.

He is the first man who went to Heaven with skin, blood and bones but he will come back and die because immortality is reserved for the glorious Church. Only the glorious Church will not die; all other human beings will die but not the glorious Church. The glorious Church is the bride of Christ; she is the epitome of Christ sacrifice.

The body of Christ is the one that will not die but Moses, Enoch and Elijah_ They will all die. Do you know what happened to Moses? He died and rose again instantly. God took his body because Moses was special, Satan wanted to take Moses to the land of the damned but it couldn't happen. The bible says, Elijah was taken up to Heaven by a chariot. The bible says, Enoch was not because God took him. If God took him, and we find in the bible that there was another man whom God took then it must have been by the same chariots.

Enoch didn't just go! On earth when Elijah was taken nobody could see the chariots of fire except Elisha. Even though Enoch was not seen how He left we can see by revelation how he was taken.

Revelation 19:9. Then he said to me, "Write: Blessed are those who are called to the marriage supper of the Lamb!" "

The marriage supper! So, when does He marry the Church? Is it in Heaven or on earth? The marriage ceremony will take place in Heaven when the Church is raptured therefore the reason why the glorious Church is removed from the earth is for the attendance of the wedding.

"Husbands, love your wives, just as Christ also loved the church and gave Himself for her, that He might sanctify and cleanse her with the washing of water by the word, that He might present her to Himself a glorious church, not having spot or wrinkle or any such thing, but that she should be holy and without blemish." Ephesians 5:25-27

This is telling us that the Church is Jesus wife in preparation. The Church is not yet married to Him, it is engaged to Him. His presentation of the word is the cleansing of

His Church therefore His Church cannot enter Heaven unless His word had completely washed her. If the Church is going to know her Bridegroom therefore the Church must begin to get into the word because that is where the bridegroom washes the Church.

Revelation 19:9. Then he said to me, "Write: Blessed are those who are called to the marriage supper of the Lamb!" " And he said to me, "These are the true sayings of God."

Blessed are those who are called to the marriage supper of the lamp! This tells us that there will be Christians that will be left behind because they were not invited.

Revelation 19:10. And I fell at his feet to worship him. But he said to me, "See that you do not do that! I am your fellow servant, and of your brethren who have the testimony of Jesus. Worship God! For the testimony of Jesus is the spirit of prophecy."

He didn't say 'I'm an angel' but fellow servant therefore it was not an angel who was communicating this truth to him but a saint living in the eternal. I believe it could only be one person and that is Enoch.

Revelation 19:11. Now I saw heaven opened, and behold, a white horse. And He who sat on him was called Faithful and True, and in righteousness He judges and makes war. 12. His eyes were like a flame of fire, and on His head were many crowns. He had a name written that no one knew except Himself.

Not too long from now, I was sitting and asking God why I serve Him. I wanted to find out for what purpose I am serving Him, and it dawned on me that throughout the years there have been many reasons why I serve Him. I realised that the only reason you serve Jesus should be because you love Him because as you find out through reading the bible what He did for you there will be nothing else you'd want from such a person except the love of fellowship.

Revelation 19:13. He was clothed with a robe dipped in blood, and His name is called The Word of God.

Did you see that? John was a Prophet therefore he wrote as the prophet's do_ in a poetic way. For instance, in verse twelve he said:

Revelation 19: 12. His eyes were like a flame of fire, and on His head were

many crowns. He had a name written that no one knew except Himself.

But he gives us the name in verse thirteen but you have to notice something: He had a name written that no one knew except Himself. This tells us that this name could be read, John saw the name written but it was written in such a way that it could not be decoded. Remember when the finger of God wrote on the wall, in the book of Genesis? None of the magicians could read it but Daniel came and give the interpretation. Isn't this interesting? They all saw it but couldn't make anything of it yet Daniel did, this happened because the bible say 'In Him was found the spirit of Wisdom'

The one who was giving John this revelation was the spirit of Wisdom because only the spirit of Wisdom is authorised to give man insight into the deep mysteries of God.

Revelation 19:13. He was clothed with a robe dipped in blood, and His name is called The Word of God.

The one with many crowns! Notice he didn't say, Jesus! His name is called the word of God. The 'lamb of God' is the word of God that died, and the 'word of God' is God in pectin. Those two man share the same class before Him. This is how God wants us to know Him: Jesus_ the word of God, the Father_ the word of God and the spirit_ the word of God.

1st Peter 1:23. having been born again, not of corruptible seed but incorruptible, through the word of God which lives and abides forever,

Therefore we are born of the word of God yet we are different. God is one yet He is the Father, the Son and the Spirit. How that possible? The word, the mystery of the word demystify the Godhead.

Revelation 19:14. And the armies in heaven, clothed in fine linen, white and clean, followed Him on white horses.

Remember the prophecy of Enoch? This is the same thing to what he mentioned but Enoch saw the Lord and John saw the Word, and with the Word came the armies. He is the King of Kings, Lord among Lords' and God among Gods'.

"God stands in the congregation of the mighty; He judges among the gods."
Psalm 82:1-2

Who are those? The saints; the bride that has been married. This time, the bride was

going to the earth for judgment of the antichrist and false prophet. Satan must have his time of reign:

“So the Lord God said to the serpent: “Because you have done this, You are cursed more than all cattle, And more than every beast of the field; On your belly you shall go, And you shall eat dust All the days of your life. And I will put enmity Between you and the woman, And between your seed and her Seed; He shall bruise your head, And you shall bruise His heel.” Genesis 3:14-15

This signifies that Satan must have his time where he seems to have total dominion on a certain part of the earth not the whole earth. When we talk about the great tribulation we are not talking about the whole earth but Israel. The great tribulation is attributed to Israel.

“So when you see the abomination of desolation,’ spoken of by Daniel the prophet, standing where it ought not” (let the reader understand), “then let those who are in Judea flee to the mountains. Let him who is on the housetop not go down into the house, nor enter to take anything out of his house. And let him who is in the field not go back to get his clothes. But woe to those who are pregnant and to those who are nursing babies in those days! And pray that your flight may not be in winter.” Mark 13:14-18

That period must last seven years. Daniel is talking about the abomination of desolation because at that time the antichrist will setup his throne in Jerusalem. At this time the antichrist will put the whole Jewish nation to terrible persecution but before this happens, Jesus said “This Gospel of the Kingdom must be preached throughout the whole world as a witness then the end will come” By this time the message of the Gospel to the gentiles would have been consummated.

During the time when the Gospel is preached Jesus comes to collect His bride because then the sons of God would have been manifested. The whole Christian community who have walked with the Spirit will come up to be caught with the Lord.

“Behold, I tell you a mystery: We shall not all sleep, but we shall all be changed — in a moment, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, and the dead will be raised incorruptible, and we shall be changed. For this corruptible must put on incorruption, and this mortal must put on immortality. So when this corruptible has put on incorruption, and this mortal has put on immortality, then shall be brought to pass the saying that is written:

“Death is swallowed up in victory.” 1st Corinthians 15:51-54

We are the only ones who are extraterrestrials! When this happens, we go to Heaven and when we get to Heaven the seven years of tribulation kicks in. For seven years the Church will be in Heaven for the marriage supper of the lamb, and this is where the first judgment happens.

Satan and the antichrist will reign for three and a half years_ this when there will be terrible wars on the earth. At the end of the three and a half years we will come down from heaven, and we will land at the same place He left: Mount Olive. By this time, the earth would’ve opened its mouth for the false prophet and the antichrist to go straight to the lake of fire because Jesus would not face them.

Satan will be bound for ten thousand years and at the end of that period he will steer up Gog and Magog, and the kings of the east therefore we will have one last war called the battle of Armageddon which will take place in Tokyo. We will be there with the Lord, and Satan with all his armies_ there will be millions of them. Why do you think China and Russia is so big, but don’t think we will be coming with swords. The bible says, at His word they shall be disintegrated. When this happens, the age of the lamb begins! Notice that the word of God is in it all.

What we are in is not stories or fables, there is a life in all this.

Revelation 19:15. Now out of His mouth goes a sharp sword, that with it He should strike the nations. And He Himself will rule them with a rod of iron. He Himself treads the winepress of the fierceness and wrath of Almighty God. 16. And He has on His robe and on His thigh a name written: KING OF KINGS AND LORD OF LORDS.

In the beginning was the word and in the end is the word.

Acts 20:32. “So now, brethren, I commend you to God and to the word of His grace, which is able to build you up and give you an inheritance among all those who are sanctified.

The word that was in the beginning is able to build you up! This is the reason the old without the new is not complete, and the new without the old is incomplete because both carry the totality of the revelation of the word of God. The word of God must have first priority in your life because in the beginning was the word.

Proverbs 4:20. My son, give attention to my words; Incline your ear to my

sayings. 21. Do not let them depart from your eyes; Keep them in the midst of your heart;

I believe that if Christians would give first place to the word of God many things in their lives would change. A man in charge of over four million people; who was in charge for their exodus and also in charge to apportion land for the people at the promise land was given a very striking command.

“This Book of the Law shall not depart from your mouth, but you shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success.” Joshua 1:8

I always asked the Lord why He instructed this man to mediate instead of praying, the He said to me ‘Because my word is first’ When we talk about perspective on the word, we are talking about how to see the word of God. Gods’ word today takes the place of the absent Christ. He is not here physically but He is here through His word.

John 1:1. In the beginning was the Word, and the Word was with God, and the Word was God.

Where with God? This is what it means to meditate, it is to go into the heart of a thing. The word of God is God in manifestation; God brings Himself to me through His word.

John 1:2. He was in the beginning with God.

God was in the beginning with God!

John 1:3. All things were made through Him, and without Him nothing was made that was made.

Who are the most respectable people on earth? Contraction and architectural workers, both of them are the closest thing to the ability of the word. What I just said to you may not make sense but one day when you read your bible you will realize what I’m communication to you. This will hit you so hard that it will change your life forever.

All the structures that you see outside were built by someone! Whatever that man did went through the word of God first that means whatever they were doing in building that structure was an element of the word of God.

John 1:3. All things were made through Him, and without Him nothing was made that was made.

All the buildings that you see could not have been made without the word of God. The word of God is involved in every particle of creation. If you want anything created in your life, you must have the participation of the word of God. The purpose of the word is to prepare you for creation!

Your life will take form once you have imbued yourself into the word. When you have done that something will begin to happen, you will realize that God begins to bring shapes into your life and build it.
