What is the Enlightened Mind?

13 October 2016

You'll begin to see yourself evolving into another kind of person if you practice what we teach you. It is something that you begin to discover. Before I begin, let me tell you this: I want to start a school as early as this year. This school is going to be separate from Holy Spirits Tabernacle. When you present information to people through the Church people tend to put religion to that information and they end up not using it. So I decided that I am going to start a school with a curriculum that beat any circular curriculum and this is for Human evolution.

The same way I saw the destiny of Holy Spirits Tabernacle I also saw this school. It is a complete internal and external makeover of what we call education. I promise you that there is no one who will enroll into the program that will not change. They will not only change mentally and actions in their personal lives but also their financial state will change and I am not talking in terms of years but in a matter of months their lives will change dramatically.

I have it complete in my visionary mind so I just need to do some finalisations and it will begin. The Spirit said "You don't need many just start with five people" Those will be my specimens to prove that this works. Another reason is that, people never appreciate what they have not purchased. They lack appreciation in what they never purchased so to them it has no value because they never paid anything. The bible says "Buy the truth and sell it not".

This school that we going to be establishing will give you the opportunity to know how to handle information, whether you are a business man, student, unemployed person, working person or a business woman it doesn't matter. The important thing is that something in you will change.

In few months, I will be selling this information to Universities. I am actually planning to go to universities to incorporate this. It will do you good to be the first people in the institution nobody does not want change. Do you want to tell me that you don't want change?

If you stay on one level for a period of time you become idle, if stay at one level of thinking over time you become idle. If you don't progress internally your outside

world cannot progress, you only progress forward because of your mind otherwise there cannot be any change.

Change only begin when you start changing internally if you don't change internally is like trying to use a hammer to destroy a mountain, you need a regeneration of your internal make up. The man you want to be is all locked up inside you, all you ever going to be is locked inside you therefore there need to be a process of educating (draw from within) and if you are not educated mentally, Spiritually or physically you'll become a life retard.

It is very important to cultivate your mind. I left out something important about meditation and that's why I want to teach about the Enlightened mind. I believe in this so much. Imagine some of the things we teach you in Church, take that efficacy and put it into a progress of systematic programming.

When the Lord showed this to me I wished I was called into something different just to show you that it works, the world is not ready for what we are about to offer because I want to move people from the realm of adoptive living to creative living and that needs a systemised program that is able to deal with knowledge specifically.

Do you know what I do? I am selling you my vision and as we teach you'll begin to see frames of your life coming to you. We want to compress frames of your life in such a way that you'll be able to see what will happen in the future. We want to add frames and delete frames. There will be no subject that you will not get 'A'

Tonight I'll teach you something that will cause you to see the possibilities of your life because possibilities are endless. On Sunday I began to teach you on the Doctrine of perfection because I believe in perfection, the perfection of Spirit, Soul and Body. He said that "You shall be perfect as your Father is perfect" How perfect is the Father? Imagine how perfect will people look.

Think about it, if you were perfect how will you look like? I want you all to prosper, it is my desire to see you financially liberal and that's why we teach you on the perfection of your Spirit because there can be no physical perfection without mental perfection, anyone who wants to be prosperous both in God and in life they must first be prosperous in their mind.

Every time I teach you the word, there is an excitement that arise because every message that we teach you carries the potential power to evolve (a complete evolution)

your life that means you become a totally different person.

The bible says “If any man is in Christ he is a new creation” which means a totally new species, you are something that was not there before, you are a creation that never existed before but for you to come to the realisation of that fact_ There needs to be a total reconstruction of your soul structure.

I want to teach you about the mind that has been enlightened. I believe in perfection, a perfect Spirit, a perfect Soul and a perfect body. The enlightened mind is when the mind comes to its perfect original state and this why the Spirit of wisdom is so important.

Imagine when you can decide your salary in the next six months. “Anything is possible to him that believes” Jesus said. This is a universal law whether you are a Christian or not, to the one who believes that anything is possible anything is possible. Imagine when you could decide your own salary. I want to get you to the level were you are so bold in your faith and you just get whatever you desire.

There is a process of a desire to its materialisation. Your thoughts are energy and energy produces reality but between the starting point of that thought to its realisation there is a process and I have found out that process.

It’s a complete evolving and that’s why there is no University that can tell you how to do that. Universities give you generalities, they don’t tell you how to harness that information because knowledge is not power but potential power. Potential power need kinetic mobility to move. I realised that the best kind of education is self-endues education. Can you not be excited about the future that you see, only a blind man in the mind cannot be excited.

I believe in perfection! Do you know what perfection is? It means you have come to the end, nothing can be added and nothing can be subtracted. Jesus said “if you believe...” That was the condition. If the resources that we possess have the power to make an 80 year old person rich not in the matter of years, what about a young person?

We will take out your African mind and give you the mind that you should have. We will be teaching you everything from personal development, finance, economics, phycology and architect. See riches are consequential they are not the main thing. The woman with the issue of blood said “If I may touch... I will be healed” That

means a set time for the miracle, she decided when the miracle will happen. When you start to think like that your whole system begins to change.

Think about it; can you see your life changing? The bible says “He had made all things beautiful in His time” Do you know what is to push trolley to a shopping complex and putting in whatever you want without thinking about the price? Do you know how it feels like? Do you know how it feels like to get to a restaurant to buy what you want to eat without thinking about the price? You’ve not began living if you don’t know how that feels like. You’ll feel like you’ve made it, it’s a progressive life. The first time I took out money over R15,000 in my mind there was a battle but that was a bench mark, that’s why in the House of God you need to train yourself in giving because it’s more about mental perspective than it is about anything else.

Paul said “We being poor make many rich” We want to make you rich and abundantly so. Let me read you something that I have discovered:

“Doubts, fears and worries are actually pervasion of thoughts energised with dark energy that affect the mental processing unit of the heart” This is what it means: After Jesus told His disciples that He was going to die but after 3 days He will arise from the dead, they didn’t believe. They were sitting in a room then all of the sudden Jesus appears and the bible says “They were afraid because they thought they saw a ghost” Then Jesus said “Fear not it is I, why did you allow doubts to arise in your hearts”

Wasn’t the Presence of Jesus real? They thought it was a ghost, what happened to their mental processing unit? It was corrupted, they saw reality as friction so their doubt actually perverted reality. Jesus had to say “Stop the fear it is I...” What happened is that they allowed doubt to change reality, their doubt perverted reality. What they saw in their minds wasn’t real. Jesus walked on water and he thought it was walk-able. Peter walked on water for a while and he thought he could sink, the water didn’t change; the mind of Peter changed because the same water that Peter sinking Jesus was standing on.

So the breaking point to reality is our thoughts. If the thoughts of Peter could affect the water and everything that was around him, that makes thoughts energy. *“Doubts, fears and worries are actually pervasion of thoughts energised with dark energy that affect the mental processing unit of the heart, it corrupts the soul’s ability to appropriate reality and therefore materialise it”*

The agenda of doubt is to pervert the thoughts that are coming to you, stop them from

materialising and materialise its own desire because fear is the energy of Satan, worrying is the energy of Satan and all energy seek expression. "... *They are like thieves are that hijack the soul to process*" When you are in doubts you can't process things, when you are in fear you can't process things and when you are in worry you can't process things all of this hijack your mind such that you are unable to think/process.

This is what I've discovered. They stop possibilities in your life because the mind has the power to produce. Fear is a corruption of thoughts, worrying is the corruption of thoughts; anxiety is the corruption of thoughts and doubt is a corruption of thoughts. It's a mental hijack and that's what releases fear and doubts. These are wrong and very dangerous states and when you are at that state you are at a very dangerous ground. A mind free from all these radicals is limitless in its power and effectiveness.

I thank God for the word that is able to replenish the soul and to spiritualise it. The enlightened mind is therefore the mind that is free from worry, fear and doubt. Jesus had no fear, doubt and worries and he was never once fearful; his mind was enlightened. I want to help you enlighten that mind of yours and that is why I am teaching you about wisdom. If you can believe what I teach you, it will change your life and it will not take time. You would begin to see immediate results in your life if you'd do what I teach you.

The mind of Christ cannot be bound to limitations and barriers. It is the mind that functions by spiritual law of life and a mind that has transcended the sensory observation of the world. Man is supposed to live in the realm of faith and in the mental state of faith "The just shall live by faith and not by sight"

In other words, you shall not live by the range of your sensory perceptions and you shall not live by the outside world. You live from the inside and expressing it to the outside world. The enlightened mind superimposes physically reality. Remember I said to you that by faith we can understand and not by reasoning. The world understands by collection of information and analytical observations but he says by faith we can understand. That means if you didn't understand something based on the accumulation of information, you can understand it by faith.

Man was meant to live by faith and that's the realm of possibilities and that means there is enough substance to create and make and materialise anything you can ever dream of. The men who build those sky scrapers, the man who build the aeroplane and the man who harness all of electricity, those men never went to school. Thomas

Edison, the man who founded electricity and invented electricity only ended with grade 3. He failed in his first attempt and when they asked him, why didn't you give up? He said that "It only needs to work once".

The white brothers looked at a bird and thought 'What if we could make something that can carry us like that and take us from one place to another' They worked at it and it failed and they studied the bird, the motion of the bird and all aero dynamics of the law and one day an idea came.

Desire always prompts the impulses of a sub-conscious mind. If your mind does not desire; not engulf with passion or desire the realm of your spirit and being that is meant to produce cannot work. Desire is the fuel of the heart; it is the fuel that drives the heart. The reason why there is no change in your life it's because there is no desire. Change begins in desire and Jesus said "Whatsoever you desire when you pray believe that you received it and you shall have it" You can know what to ask for but if there is no desire then you cannot have it. God never does anything apart from the energy that comes from you. He said "Now unto him who is able to do exceedingly abundantly, above all that we could ever ask or think and according to power that works in us." Weak power means no results and if you've got doubts, fear, worry and anxiety all those are corruptive energy.

They corrupt your system and God is unable to produce tools from that because those energies short-circuit the power of God to work for you. He said for you to operate spiritual gifts all you need to do is to desire in other words lust and covert after them. You cannot grow if you don't desire the things of God, you cannot grow into the things of God until you desire. It begins when you desire and having this thing on the inside. I don't believe in poverty because it is a disgrace to God. The gold that men dig, is the gold that we walk on in Heaven. Gold is God's concrete.

The first thing that captures you about heaven is the gates; it's one huge gate of pearl. That is why God wants to give you the spirit of wisdom so that you cannot be limited by this material world and by the circumstances of this world. You can rise above your environment and what this environment offers you. They told a man who wanted to build a church on a huge rock 'No matter what we try we cannot destroy this thing' They got all the technicians and they said 'Forget about this thing it will not work' The man said to them "I will build the church inside the rock" They said he was crazy. The man got all his people together and all the finances together. They build one of the most beautiful Churches which was inside a rock. He was willing to see something

that they could not see, he was willing to see beyond his limitations and barriers of men.

When an opportunity presented itself to you, you thought it could not be done. The man who started the brand *Zara*. He is the number two richest men in the world, he started selling at the back of his car with his wife. He would go and buy some clothes at the flea market and sell them, they laughed at him and his family. In a matter of four years that man was building the largest and most fashionable business in all of Italy.

Jesus said “Awake from your sleep” That means be awake in your state of mind and consciousness. Life is passing you by and what you don’t realise is your own potential and power. You have a mind invested to you by God. I said to you last year “That if you cannot find a job then create one”. The number one law of success is *service* and if you can provide service you’ll never lack anything. Everything in this world is hinged upon service as long as there are people in this world then there is no scarcity for money.

Any enterprise that does not have people in its mind when they create a product or a service can never last. The possibilities are endless and all you need to do is start, once you have started then you can relax. I know of a woman who brought houses in different estates and used that as schools. If you provide good service then nobody would not want to come to you, the key is in excellence and diligence. I have been telling people there is something in sand and one day I will say this in a seminar or in a conference then one person will hear me and it will make them millions.

There is something in sand and it takes somebody who is open and can see. We are trying to feed your mind as to open it up and until one day a light shines on your mind. The reason why you cannot appreciate this knowledge it’s because you have not paid for it and that’s why you can’t take it serious. There is nothing in your life that you have ever appreciated that you have not paid for. Everything you’ve ever appreciated in your life has something. Don’t prove God’s word to be a failure because God’s word does not fail. Life changes when you make a decision and we share God’s word to you for your own sakes. Do not allow the thoughts in your mind to rise against you.

One thing you have to know, is that: You are responsible for your own failures. When you take accountability and responsibility for your failures and mistakes and stop

blaming other people that's when change begins. When you acknowledge that you're a failure not because of anyone but because of you, take the responsibility and act up to your mistakes. If you will not do something about your life; you'll be the one to blame and not any Pastor. Your marriage and relationships are messed up and it is not the devil's fault but your own fault. There is no other external influence that has the power to stop you, if you allow it then it will affect you. The state that you're in now is your own fault.

When you sleep at night it is you who made that choice and no one else. So wakeup we're only trying to help you. If you fail to plant seeds on good ground then weeds will grow; take ownership of your life and stop playing games with yourself because time is running out. Do something about your life and have a plan for your life, marriage, family, kids and future. All we and God want to do is lift you up but try to walk and make the efforts. Get tired of your comfort zone and until you get tired no one else can help you. We give and share God's word to you to help you take charge of your life and become the woman or the man that God destined you to be.

The bible says "All man shall give account for his life..." You will not tell God about your brothers; he will ask you what have you done and they are accountable for their own lives. Change is possible and all it takes for you to own up is to say 'I Know what I am a failure and I have failed and everything that has happened in my life it is because of me and not anybody else. I made the wrong decisions and choices and I take ownership of every single thing I've done' That is when the Holy Spirit will begin to help you. That is what we call transparency before the Lord, some people are not honest with themselves. Take ownership of your mistakes and rectify them, because only you can. I can't rectify them for you. The world is full of possibilities and opportunities, you don't have to limit yourself to one mode of life and if you are comfortable then stay there. Jesus said "Father all things are possible nevertheless not my will but your will."

The Enlightened Mind: The Spirit of Wisdom

20 October 2016

We grow through knowledge, we grow through the application of knowledge and the more knowledge you have the more potential of greatness you acquire because knowledge gives us the potential to become anything. There are no limits to what you can do in life. We say “Holy Spirit's Tabernacle where anything is possible” And we believe the truth that comes from Jesus. We believe in the truth that Jesus teaches us through His word.

Let me tell you this before we go any further: The word that we share to you works but you can only see that it works when you start practicing it in your lives because we aim to teach the word in such a way that you are able to practice it in your lives and have your life upgraded. We do not just teach you philosophies and ideologies that do not have practical application.

You can practice it and the moment you start doing that you will realise that it really does work, so always have that attitude when it comes to the word of God. When you came to church don't come to church for the sake of coming to church, come to church to have your life changed.

We don't go to church only to worship the Lord and to receive from Jesus but we're also here to learn truth that we can apply in our lives. I have seen changes in my life for the past 6 months that I've never experienced because I apply the things that I teach you and that's how I measure my progress. I measure my progress on how much I know that I actually apply in my life because progress is measurable, you can actually tell whether or not you've been progressing this year.

Your life is supposed to be a continuous journey of perfection. The bible says that “The path of the righteous shines brighter and brighter unto the perfect day” That means a life of a Christian is supposed to be brighter and brighter which means forever upgrading in all areas of your life (Spirit, Soul and Body) even your finances.

I told you this “Any Pastor or any Minister that only focus on the development of the Spirit of his congregation is really robbing to them” Because God is concerned of all the dimensions of man (Spirit, Soul and Body) So any good minister of God will focus on all the three areas of man.

When you look at the life of Jesus He taught His disciples many things that affected all the areas of their lives because no matter how spiritual we can become we still live on earth so all these areas must be touched upon (Spirit, Soul and Body) Go gain better enlightenment and better knowledge.

Never think you know life until you've consulted the Word of God. I made a choice and I make this choice every year that I would live my life according to the word of God, to drive my thinking that way and to have perspective that are given to me by the scriptures because it is only that created you that can sustain you and prosper you. You can only live from your origin, a fish can never ever live outside water because it was water that gave forth fish.

We are the product of the word. We are the product of God's spoken words therefore our lives can only be sustained by what we come from. Jesus said "Man cannot be sustained by bread alone but by every word that proceed out of the mouth of God" If you want to grow from one level to another you have to have the word of God and that's why every year towards the end of the year I teach you on personal development.

I taught you about reading, imagine if you would've spend two hours a day reading for the whole year up until now, what would have happened to you? Because you cannot read, you can never have the character of your mind changed. The reason why doctors and professors are the way they are it's because of the knowledge their minds have absorbed.

What did you do this year to improve your life? What are the factors that you can point to show that there has been an improvement in your life? If there hasn't been any change that is a brand mark for failure.

Your life should not be the same as the person who doesn't attend your church. You need to desire growth and success, and the best kind of success is conquer yourself. The bible says "the man who cannot rule his own Spirit is like a broken city" If you cannot rule over yourself it will be a mess.

Do you know that the habit of waking up late destroys your own life? Do you know that you'll have a bad life if you regularly wake up late? Because if your body can get 6 to 8 hours of sleep is good but anything more or less is bad for your body and your mind becomes slow in processing information. When you are sleeping everything in your body shut down and your body start repairing itself that's the only purpose of

sleeping but if you do that more or less you are actually disturbing your brains operating capacity.

The danger of waking up late is that you will become poor because is only a sharp mind that can produce fruits. Do you know what to be lazy means? To be lazy means you are unable to apply the powers of your mind. Will power is one of the powerful thing that God gave man.

A man that is conquered by himself will never amount to anything because man is a creature of habit, everything that you are is because of the habit that you build over time whether they are good or bad so you need to constantly work on yourself. You are successful over how much time you conquer yourself, a man like that there are no limits to his life.

There is a bridge of acquiring of knowledge and the actualisation of it. This is what the education system doesn't teach you, all they do is that they give you knowledge but they don't give you ways to actualise it. No institution in the world that is governed by the system does that to its people because what it does is that it systemises you. They don't give you the liberty to be creative because man is a creative species.

Everything that you see around is the creativity of man. Everything artificial is man's creativity it comes from within his mind and in every single human being there is what we call the genius in man.

This is one of the reasons why I am undertaking the development of man's mind and that's why I am starting this school; and I know it will work there are 6 billion people in this world and all I need it 1 billion.

The Lord told the waters to bring forth fish and all those but you never hear anywhere in the bible were God came and gave this things life then God formed man. God said "Let there be light" He called it from darkness the He said "Let the earth come out from the sea" But when it came to man He said "Let *us* create man in *our* image"

To everything that He created He never said "Let *us*" He just said "Let there *be*" But when it came to man He has a conference. He said "Now let *us* create man in *our* image and after *our* likeness" Who was God talking about? And who's image is man made from? Because He said in our image therefore man was made to resemble the image of the Gods.

It can't be the elders because they are not created in the image of God nor the Angels.

Man is created in the Seven Spirits of God because that's who God was talking too. Man is the expression of the Seven Spirits of God that means each and every DNA in you expresses the Seven Spirits of God because He said let *us* make man.

God doesn't do what He has to do to man with other creatures:

Genesis 2:7 (NKJV Strong's) And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living being.

This is amazing! What's the glue that is keeping this body together? That's why I tell you the man who will discover what's in sand will be the richest man on earth because this means the body of man has elements of gold and copper in it. The body of a man is electrically conductive.

The Lord formed man out of the dust that's why when the man with no sight came to Jesus and Jesus took clay then rolled it and he put it in his eye holes, and he went to wash. There is something about man and this is what education cannot teach. I told you last week that the education comes from a letter *educere* (to bring out from within) so what you get at school is not education.

Education means bringing something forth that is already within that's true education. When you teach a man something that he already has all you need to do is shed light and he brings forth those things. Jesus said "A good man out of the good treasures of his heart brings forth good things" What are those good treasures? Only education can bring that out and true education not what you get at school because what you get at school is not education.

The best man is the man who is self-taught. Do you know the foundations of education? They are built upon the ideology of population control. To have you think in a certain way, and create mental walls in you that disallow your progression because you can only go as far as you can see in your mind.

Education was created as a result of the fall of man. Information caused man to fall because man was supposed to live by revelation (The uncovering of the truth) This means man was supposed to live through impartations not through external knowledge, external knowledge is what caused man to fall and this is what deceives man.

In the new age they do talk about the enlightened mind. They say "The enlightened

mind is when man find God in himself” But that is false. There is a truth about enlightenment and Christians must know, at any age you can become a multi billionaire and all it take is when you appropriate knowledge.

Genesis 2:7 (NKJV Strong's) And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living being.

Gods exhale was the life of man so He breathed into him the breath of life. Where does this breath comes from? Creation does not have this breath. After God breathed on man he became a living soul so what is soul? *Soul* is the intangible substance of God inside man that means the very substance of God is inside you because what God breathed into man was an uncreated entity. It didn't come from anywhere but from God.

What does God breath? God breath life and He breathed life into man. What happened when God breathed into man? A soul was created but notices this: Adam was different when God breathed into him, He became alive then after that the bible says God gave him instructions, how could he understand if he was still a baby? He had in him the genius of God.

When Noah was born, do you know that he spoke? The reason why babies cannot speak when they are born is because of the fall of man but when Adam woke up he was conscious not only that but he could analyse. The person that's writing this is Moses so he saw all this things suddenly he saw God having a conversation with Adam, was the conversation verbal? If what came from God was in man did God need to speak externally? So Gods communication with Adam was not verbal but telepathic (The transference of thoughts) Because he had the genius of God.

The bible says that Jesus knew all the thoughts of man. Do you know that it is proven scientifically that thoughts are transferable? These are what we call the undiscovered potentials of man because man became a living soul after God breathed into him.

God's power is in the air! Those guys had a sound in the upper room as of a mighty rushing wind and all of the sudden they all spoke with tongues. They heard a sound therefore the Holy Spirit came through sound. They were filled by the Holy Spirit through sound therefore tongues are the expression of Gods sound.

Let me show you that Adam had intelligence. He had the intelligence of God and

what we have is greater than him

Genesis 2:8-17 (NKJV Strong's) 8 The Lord God planted a garden eastward in Eden, and there He put the man whom He had formed. 9 And out of the ground the Lord God made every tree grow that is pleasant to the sight and good for food. The tree of life was also in the midst of the garden, and the tree of the knowledge of good and evil.

10 Now a river went out of Eden to water the garden, and from there it parted and became four riverheads. 11 The name of the first is Pishon; it is the one which skirts the whole land of Havilah, where there is gold. 12 And the gold of that land is good. Bdellium and the onyx stone are there. 13 The name of the second river is Gihon; it is the one which goes around the whole land of Cush. 14 The name of the third river is Hiddekel; it is the one which goes toward the east of Assyria. The fourth river is the Euphrates.

15 Then the Lord God took the man and put him in the garden of Eden to tend and keep it. 16 And the Lord God commanded the man, saying, "Of every tree of the garden you may freely eat; 17 but of the tree of the knowledge of good and evil you shall not eat, for in the day that you eat of it you shall surely die." 18 And the Lord God said, "It is not good that man should be alone; I will make him a helper comparable to him."

God said "It is not good that the man should be alone; I will make him a soul mate" In the Hebrew that means "*I will make his own reflection*" When you would look at Eve you would see Adam in the same way when you would look at Adam you would see God. The Woman is the glory of the man and the man is the glory of Christ then Christ is the glory of God. After seeing that, you would think the Lord will start forming the woman but He went on to form other things. Do you know what God was going? He was testing Adams intelligence.

Genesis 2:19 (NKJV Strong's) 19 Out of the ground the Lord God formed every beast of the field and every bird of the air, and brought them to Adam to see what he would call them. And whatever Adam called each living creature, that was its name.

It is not God who is naming these things but Adam because what he would call them would determine whether or not this man is intelligible enough to discern his soul mate. Adam didn't even finish naming the animals. God brought them to Adam this is remarkable because what happened is that as the Animals come Adam went into its

nature then he would give a name. All those animals had their Spirits as substance they were not yet created so when Adam would give a name they would take shape.

This means that Adam could see into the Soul. This man was enlightened but even though he had the enlightened mind he felt incomplete because there was another mind in him that was not awoken that's why he felt incomplete. God saw that there was something that was not right about this man because he created him male and female therefore there was still a part in him that was not awoken.

Genesis 2:20-21 (NKJV Strong's) 20 So Adam gave names to all cattle, to the birds of the air, and to every beast of the field. But for Adam there was not found a helper comparable to him.

21 And the Lord God caused a deep sleep to fall on Adam, and he slept; and He took one of his ribs, and closed up the flesh in its place.

Look at this: God is operating man now the bible says "That God opened his flesh" How did God do that? With no stitches, God took a rib! Why did he take a rib? Do you know that the bone of a man is regenerative?

Let me tell you why God took the rib: It is because of what was inside the rib (steam cells) and again because of the positioning of the ribs. The main functionality of a rib is to protect the organs so God had to get that to show woman's purpose in Adams life this means that the part of Adam that was not awoken was inside the ribs (Spiritual location)

Genesis 2:22 (NKJV Strong's) 22 Then the rib which the Lord God had taken from man He made into a woman, and He brought her to the man.

Now think about this: A rib is about 25cm long therefore God took this rib to make a woman not just a woman but Adams reflection but the Lord doesn't breathe into her

Genesis 2:22 (NKJV Strong's) 22 Then the rib which the Lord God had taken from man He made into a woman, and He brought her to the man.

God took Eve and He brought her to the man. Look Adam is now sleeping for the first time because the first time it's when God breathed to him, his first consciousness was to God and his second consciousness was to his woman.

Life for Adam began after his second sleep. Firstly, life doesn't begin until you meet

God and secondly life doesn't progress until you meet your soul mate. It is God that has to bring him/her, nominal Christianity says man has to go out to look but it's a false idea because you don't know who your perfect reflection only God knows is.

The bible says this "What God has put together cannot be scattered" This means what man has put together can be scattered. There is no relationship with the concern of man will last. We are talking about the enlighten mind in regard of the Spirit of Wisdom because the only way that Adam could discern was through the Spirit of Wisdom

Genesis 2:23 (NKJV Strong's) 23 And Adam said:

"This is now bone of my bones

And flesh of my flesh;

She shall be called Woman,

Because she was taken out of Man."

How did Adam know? Adam said "This is now bone of my bones, and flesh of my flesh: she shall be called Woman, because she was taken out of Man." The question is: How did he know? It's because she looked like him. This is a second round of consciousness which means all along his mind was sleeping. God create man, male and female then he leaves that other part in him to see if a man would realise that there is an incomplete picture here and when God make man to sleep again he takes out of man what has already been inside, this is remarkable.

All this is happening in the presence of God. He brought the animals to Adam to see what he would name them. In the same way he brought the woman to him to see what he would say so all that was a test; the testing of Adam's intelligence. God was training Adam to discern, to recognise, to analyse, to assimilate, and to perceive. Now he meets Eve and he says "This [is] now bone of my bones, and flesh of my flesh..."

Where is God? God is standing between them, and God is watching. God never said "She is your woman" It was the man that was supposed to recognise, and when that happened, Adam's consciousness was now enlightened. That means Adam was more aware. God is remarkable, He took everything from Adam and made a duplicate of him so that it can be two minds and yet one.

Genesis 2:24 (NKJV Strong's) 24 Therefore a man shall leave his father and mother

and be joined to his wife, and they shall become one flesh.

Yet they are two, what was God doing? He was duplicating man's intelligence. He was duplicating man's potentials. He was duplicating man's capabilities. He was duplicating man's capacity because the woman came from the man therefore the mind came from the man. God never breathed into Eve because there was already life inside the man, two minds that were perfect. This will help you understand why they fell because the only reason why sin came into the world is because man was not able to merge and become one with his wife.

That's how man fell because they were not one in their thought pattern. There is no relationship that will survive until you become one. Perfection individually is different from perfection corporately. Perfect and perfect does not make perfect. There is something that must perfect perfect, and that is what we call the communicative abilities of love. They did not have time to develop into their union. When you understand the fall of man you will understand the destiny of man.

What I want you to get from there is the fact is that man's soul was not complete as a unit; he needed to awaken so his awakening was in Eve. So the mind needs to be enlightened. It is only something the spirit of wisdom can do for you. The bible does talk about an enlightened mind, it is a mind full of light, a mind that is able to see, a mind that is perceptive, a mind that is conscious, a mind that is aware, a mind that is void of ignorance, a mind that void confused, a mind that cannot doubt, a mind that cannot not know.

Imagine where your mind could access to all knowledge, all truth at all times, and not through the use of study but through the use of desire. Knowledge that is at your disposal whenever you want it. The system of this world operates 100% upon the utilisation of knowledge, if you know how to use knowledge there is no company, no human being, and no business owner that will not give you money.

You all want to have money right? But I told you that money is consequential, it is not the primordial factor. The man who will seek after money will never have it therefore what must you do? The laws of economics are governed by other sub laws that if you could observe them you will be very rich.

The law of success is service. If you want to have money in life "*Service*"

Ephesians 4:17-18 (NKJV Strong's) This I say, therefore, and testify in the Lord, that

you should no longer walk as the rest of the Gentiles walk, in the futility of their mind, 18 having their understanding darkened, being alienated from the life of God, because of the ignorance that is in them, because of the blindness of their heart;

Your understanding can be darkened therefore if your understanding can be darkened that means that your understanding can be enlightened. So you can see that a darkened mind, a darkened understanding yields futility. That means you will never produce anything outside, all you produce is deadness.

Ephesians 4:18 (NKJV Strong's) having their understanding darkened, being alienated from the life of God, because of the ignorance that is in them, because of the blindness of their heart;

Do you see what cause a darkened mind? Ignorance and blindness therefore this ignorance not only causing a darkened understanding but it produces blindness in the heart. He says "I don't want you walking in vain thinking, in the futility of your mind..." Because of your darkened mind that is being caused by ignorance which causes your heart to be blind. When your mind is darkened you can't see opportunities, you can't see hope and you can't have faith, because faith requires hope and hope requires spiritual eyes to see.

Ignorance the killer of destiny this is why God does not want us ignorant. Your area of ignorance is the area of darkness in your mind. For instance, if you don't know anything about financial awareness you are darkened in that area. If you don't know about walking in health, about understanding nutrition, you are darkened in that area, and therefore you are blind and will not yield fruit in that result.

You can't expect to be rich if you don't understand anything about economics and if you don't understand anything about the laws that govern wealth and if you don't understand anything about financials. You can only live in promotion to the light in your mind. The areas where you have darkness you are disabled, you cannot function. Think about how dark your mind is because of ignorance. Jesus said "If the light that is in you is dark, how great is that darkness?"

Ignorance is very dangerous. Ignorance is the rejection of knowledge because knowledge is there. Ignorance is the destroyer of destinies. Many lives, many families, many individuals, many futures are destroyed because of ignorance_ The lack of knowledge, the rejection of knowledge because man did not want to know.

How many families could have been strong if they knew how to keep it strong? How many relationships couldn't have lost it if they knew how? When they get to the wall, all they see is the wall, they don't know that there is a way. They feel cornered and think that this is the end. They don't know that there is way. When you look up it is open, why can't they think about going up? He looks around and says I am limited. When Jesus looked at the water there were no boats, He did not see any limitations, His mind was empty of limitations, nothing could limit Him because He was not darkened in His mind.

That's why He couldn't worry. He couldn't fear. He couldn't be boxed in, not even hell itself could limit Him. Ignorance is dangerous that's why He prays that He may give unto you the Spirit of Wisdom and revelation and that the eyes of your understanding may be enlightened.

He wants the part of you that can see, the part of you that can create to be enlightened because when you have light you can't fear. Worry and anxiety come from darkness, but when you have light it cannot enter your mind, so your mind is free of radicals and when your mind is free of radicals, your mind can create. You are not responsible for what comes into your mind, but you are responsible if you process those thoughts because you have the power to control your mind. You are your own boss; you are responsible for what stays in your mind.

The thoughts that you accommodate are the thoughts that control your life.

Hosea 4:6 (NKJV Strong's) 6 My people are destroyed for lack of knowledge.

Until you appropriate knowledge. Until you gather knowledge. Until you assimilate knowledge. Until you eradicate the junk and tradition that society has planted in you, you will never change. You will come to church every Sunday but you will never change because your life is still functioning by the old programming. The programming of failure, poverty and sickness.

The problem is that we know too much of what makes us fail and too less of what can make us succeed, that's the problem. Invest in your mind and your life. The more your mind stretches the more it produces. The more your mind is constricted nothing produces, it can't work because it functions optimally when it stretch.

What reading does is that it goes beyond the content you are reading, but the elasticity of your mind. Once it does that you are at liberty to receive anything from the spirit,

and the spirit of Wisdom can do that for you. In heaven there are libraries, they are called the *Archives* if you think there is no reading up there then you are very mistaken because God has books.

Deuteronomy 34:9 (NKJV Strong's) 9 Now Joshua the son of Nun was full of the spirit of wisdom, for Moses had laid his hands on him; so the children of Israel heeded him, and did as the Lord had commanded Moses.

So the Spirit of wisdom is transferable. The bible says “For Moses had laid his hands upon him” Imagine one day this young man did not have it, then after Moses laid his hands upon him, all of a sudden he knew thing.

Do you know that Moses saw heaven? He saw Jerusalem, he saw the throne of God, and he saw Genesis_ The beginning of the creation of the world that was the spirit of wisdom. The bible says that “He was full of the spirit of wisdom.”

God says that “Then you will make you way prosperous” Notice that He said you will make your ways prosperous. God would not have told him about prosperity and success if He did not want him to be prosperous and successful. Meditation is so powerful! Meditation starts at a subconscious level and then it goes up into your mind. What it begins to do afterward is that it begins to propel you, that’s why He says “Thou shalt make thy way prosperous”.

God says meditate, if you want to be successful and have good success. This God’s guaranteed formula for success, for prosperity. You want to be prosperous in your study or at work? Meditate day and night. Prosperity and success are the product of meditation. It does not need you to have a PhD or a master’s degree but it can give you one.

We all want to be successful and prosperous but we don’t want to pay the price. If you want to increase spiritually, mentally and financially meditate on the Word of God. God promised that you will make your way prosperous. The moment you begin your journey in the life of meditation, success and prosperity are expected. God didn’t say meditate and fast, meditate and pray, He said meditate. When you are in a taxi meditate, you are training your mind not to think any other thought.

There is no instrument or element that is more powerful than the Word. If you are stupid the Word will blast out stupidity. If you are ignorant the Word will blast out

ignorance. If you are full of anger the Word will blast out anger.

I'm giving you the secret to an unending prosperity. This is not fiction but a fact, your life will be full of joy. Do you know why people get moody? It is because of the thoughts that are fired to their minds. We live in a spiritual world and Satan is always trying to bombard your mind with nonsense, and if you are moody person that means from time to time you receive shots from the enemy and that affects your emotions and attitude.

That is what is causing a lot of confusion in your life. If you want change this is the way, there is no other way. Imagine what it will yield, you will be wise. Do you know how nice it is to be wise? To be able to understand circumstances, to evaluate them, to analyse them, criticise them and make decisions. Then you become what we call a wisdom storehouse. People ask advice and counsel from you because you are sagacious; you are mindful and able to interpret situations and circumstances. Your mind becomes sharp. The bible says that "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind

The Enlightened Mind: The Entrance of your Word

27 October 2016

The bible says “Wisdom is the principle thing” Therefore it is very vital that we have the Spirit of Wisdom, if we are going to seek after anything in this world it should be the Wisdom of God. This should be the goal of every Christian because to walk in the Wisdom of God mean to walk as God; to live with the perspectives of God. This is something that your whole life should be fixed on because you cannot build your life upon power and you cannot build your life upon riches that will be in vain.

The bible says “Wisdom has built her house and she has hurned it upon 7 pillars” So the foundation of this whole world is the product of Wisdom; the right kind of Wisdom. The bible talks about the worldly Wisdom, the bible talks about Human Wisdom and both of them are Devilish (Satanic infiltration) you will never find pure Wisdom apart from God, Jesus and the Word.

You must live your life according to the Wisdom of God because Wisdom is Gods inside into things. God functions by His Wisdom and He said He has made it free for all man. Do you know as you are sitting like this you are actually listening to the Wisdom of God? Because the Bible says that we speak Wisdom.

Wisdom can be acted upon in other words you can live your life in such a way that it demonstrates Wisdom. Wisdom is revealed in the choices that you make and in the decisions that you make every day. Wisdom goes beyond knowledge because Wisdom is revealed in your acts. Have you ever seen how foolish other people act? Because the lack of Wisdom makes you foolish. Gods first manifestation was Wisdom because Wisdom says “I was there before everything was...” What will happen to your life if you operated the Wisdom of God? What will happen in your every day affairs if you operated the Wisdom of God?

He said “I am Wisdom, I am understand; I have riches and righteousness ye enduring riches that I may cause they that love me to inherit substance and wealth” True wealth is not accumulated but inherited then He says “Go for instruction rather than silver and Gold for my profit is much better than rubies” This makes us ask: What are we seeking for? Because if we truly ran after Wisdom our life would have substance. You cannot be wise and lack wealth.

This tells us that we have been seeking after the wrong things; seeking after the wrong things of life. I always ask you *“How much is your life worth? How much are you willing to invest in yourself for a great future? How much time have you spent investing in your personality? How much time have you disallowed the pressures of life to overwhelm you? Because all you will ever be is depended on how much you have the word.”*

The fact that you work doesn't mean you are investing in yourself. What does it mean to invest in yourself? It means doing those things that enhance your ability to express your destiny and many people live life without accomplishing that. You are the captain of your own life that means nothing outside should affect you but you should affect them. Dealing with life issues is one of the things that we are to do here on earth and dealing with them with the conscious of what reality is because if we are being honest the most part of humans deal with issues at emotional and psychological point, they never deal with issues from the bases of reality.

It is only through faith that we overcome life. There is a realm of life, where you deal with life from the stand point of reality but firstly you have to know what reality is and only Wisdom can make you know what reality is because it gives you inside.

We have been teaching on the enlightened mind and I believe that this is one of the most important teachings that we have prepared for you because it gives you the inside of what your life can become and what it can be like. There is not limit to what can become of you.

Jesus said “There is nothing impossible to them that believe” That means there are no limitations. The only limitation to a man's life and destiny are the strongholds in his mind but as far as Jesus is concerned there are no limitations. It doesn't matter in which station you are in life now.

I will teach you several things tonight that can open your mind to what reality is. Jesus said “Me and my Father are one...” I always say this to myself “Anything that I want I will get; either by faith or for free” When you wake up to this reality you'll realise that you have been sleeping for a long time. This message breaks the made of thinking because life experience have the tendency to narrow our way of thinking such that we are unable to think outside the box.

You can create the life you want because the bible has provided us with the way “By faith we understand that the world was framed by the word of God” Therefore by faith we can understand that our world can be framed by our words; and word are

only the byproducts of our thoughts. In our thought realm we can create reality.

Do you know where we are going? I said to the Lord this morning *“Lord please give us a land”* and the Lord said in response “Yeah I will give you but I have a better one in mind for you” Then I said what do you mean? He said “I have a bigger land that I want to give you”

Jesus said “If you being evil know how to give good gifts for your children; how much more your Father in Heaven” He asked if your son ask for fish will you give him a snake? Imagine if man is evil but know how to give good gifts; how much God? Jesus said if you ask anything in my name it shall be given unto you. I will make it for you even if it doesn’t exist; He didn’t say if you ask the father.

Christians have not understood the simplicity of asking and receiving. Do you know that it is simple? Because he said “All His promises in Christ are yes and Amen” But we need to teach you because without Wisdom there is not appropriation of this things. God never gives you the same thing twice.

It is possible to be happy; independent from things. If you have not been in that realm I’ll show you. How do you know that your life has changed? I want to teach you something that is so simple yet so powerful

Romans 12:1-2 (NKJV Strong's) 1 I beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service. 2 And do not be conformed to this world, but be transformed by the renewing of your mind, that you may prove what is that good and acceptable and perfect will of God.

He is talking about your mental disposition that is irreversible. when you get to that point of transformation there is no way you can go back and how do you make something new? Do you know how powerful that is? Therefore your mind needs an upgrade.

The bible says that “The weapons of our warfare are not carnal but they are mighty through God by the pulling down of strong holds and everything that exhausts itself against the knowledge of God, bringing every thought into captivity” WHY? It’s because those things are strongholds. Strongholds are mental limitations; a stronghold is that thing that stops you from seeing possibilities_ it’s when your mind is narrow.

Life can begin to transform when your mind is renewed; only when your mind is

renewed then you can tell that your life has changed. If you still think that same way you used to think 5 years ago you haven't changed and because of that nothing around you will change.

Our created world is made out of matter. Matter is that property of energy that is tangible but matter can only grow in the environment of light, matter cannot increase or decrease if there is no sufficient light. What was the first thing that God said must show up? Its light. Why? To be able to create matter because light is a necessity for matter to exist. In the absence of light matter cannot be. This is so amazing! You'll understand why your dreams are not coming to pass.

Genesis 1:1-3 (NKJV Strong's) 1 In the beginning God created the heavens and the earth. 2 The earth was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters.

3 Then God said, "Let there be light"; and there was light.

But this was not sun light, WHY? Because matter could not exist without light so this world needed light to be. The more matter you have is determined by the light that there is. WHY light? Why does matter need to light to be sustained? These presuppose that where there is darkness matter is restricted so there is a restriction of the quantity of matter where darkness is.

Hebrews 1:1-3 (NKJV Strong's) God, who at various times and in various ways spoke in time past to the fathers by the prophets, 2 has in these last days spoken to us by His Son, whom He has appointed heir of all things, through whom also He made the worlds; 3

Hebrews 1:3 (NKJV Strong's) 3 who being the brightness of His glory and the express image of His person, and upholding all things by the word of His power, when He had by Himself purged our sins, sat down at the right hand of the Majesty on high,

He upholds all things by the word of His power not the power of His words. He is not talking about the power that comes from the words but the words that comes from the power. I said before he rearranged he needed to make the environment conducive for matter to expand but he needed an abundant of light.

This tells us that if God wants to increase the tangible matter in your life he must

increase light in you. “In him was light through whom he created all things” Because in him was light, the only material that God used to create all the worlds was inside Jesus which is light.

Your Desire and visions will never be achieved into the physician until light is in you. If God is going to create anything through you He must do it with the light in you. What actually stops your life from growing is the lack of light. Imagine God was creating the worlds through His Son and Jesus only produced the essence that was required.

Your imagination cannot materialise because you lack light necessary. You can grow a business to as far as the light you possess, you can expand your life to as far as the light that is in you because the frame of creation is in light. He said “You were once darkness but now you are light in the Lord therefore walk as children of light” WHY? It’s because light is God’s creation energy.

Remember He upholds all things by the words of His power

James 1:5 (NKJV Strong's) If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him.

So God is a liberal giver of Wisdom. Imagine the very thing that will make you the world’s wealthy man God is giving it out without reproach. How much Wisdom you can have, is actually based on how much Wisdom you can ask.

James 1:17 (NKJV Strong's) Every good gift and every perfect gift is from above, and comes down from the Father of lights, with whom there is no variation or shadow of turning.

He is saying there are good gifts and there are perfect gifts. Did you see how those gifts come? “Every good gift and every perfect gift is from above, and cometh down from the Father of lights” Those are creative energies. How many perfect gifts can you have?

James 1:17 (NKJV Strong's) Every good gift and every perfect gift is from above, and comes down from the Father of lights, with whom there is no variation or shadow of turning.

They are created from the Father of light. How much can your life increase? He is the Father of lights and He said you are lights in the Lord.

1 Timothy 6:14-16 (NKJV Strong's) that you keep this commandment without spot, blameless until our Lord Jesus Christ's appearing, 15 which He will manifest in His own time, He who is the blessed and only Potentate, the King of kings and Lord of lords, 16 who alone has immortality, dwelling in unapproachable light, whom no man has seen or can see, to whom be honor and everlasting power. Amen.

He says "He dwells in unapproachable light" Light is His dwelling place. This is a light of a different frequency. This is the reason man cannot see it. He says "That man does not see it nor can see it".

Ephesians 1:17 (NKJV Strong's) that the God of our Lord Jesus Christ, the Father of glory, may give to you the spirit of wisdom and revelation in the knowledge of Him,

Look at what the Spirit of Wisdom can do. Who ever thought that water can stand? Who ever thought that water can be walked upon? There's a secret, because it is scientifically impossible that water can congeal, but God knew that. Who ever thought that the sun can stop? And the moon can stop? Who ever thought that man can be thrown into the fire and not burn? He said "When you pass through the waters, I will be with you; and through the rivers, they will not overflow you. When you walk through the fire, you will not be burned, and flame will not scorch you."

Who ever thought that man was bulletproof, that man was waterproof and that man was fireproof? Who ever thought that money could come out of a mouth of a fish? How did Jesus know? How did He know? Because He was general, He just said "Go catch any fish and bring money". So if Peter had caught one fish He would have found money, if he had caught two fishes he would have found money because Jesus inside the mouth of any fish there is money. Why can't you find it now? How did Jesus know that the very same place they were toiling all night they will catch 153 fishes?

Look at what the Spirit of Wisdom does for you. Who ever thought that man with flesh and bones can appear through walls? Jesus defied the laws of physics and nature, WHY? Because He had insight into secrets and mysteries; there are many mysteries about this world and universe that man haven't even began to find out. It is said that only about 8% of the world's ocean has been discovered, 92% has not been searched. They don't know what's down there but we know.

Inside each and every single human being, there is largeness, a bigness that is more expanded, that is greater, and that is more infinite than the whole universe. The nerves in the eyes of man are much more than the stars in the known galaxy. Your eye

is a universe, inside you there is an untold world, untold greatness, untold power and untold strength, inside you is an untold reality. Angels would have to learn you and study you a million and billion years in order for them to understand. That's why the bible asks "What is man, that thou art mindful of him?" What's about man that is so important? The bible says "But we have this treasure in earthen vessels..." It says we have it and it is inside because the Spirit of Wisdom opens you up to a whole new world.

He says that you are going to get the Spirit of Wisdom operating in your life by "Having the eyes of your hearts enlightened..." -*Dianoia*

There is a Spirit of Wisdom who will work through your creative powers. Peter talks about it; he says gird up the loins of your '*Dianoia*' In other words, the procreative power of your imagination. He says that, protect that, and guard that. Here he is saying you will get the Spirit of Wisdom by having the eyes of your understanding flooded with light, so he is showing you that you need light, if you want the mysteries and secrets you need light, and not just light, a flooding of light in your *Dianoia*.

'*Dianoia*' is that part of your brain that regulates vision, is the part of your mind that stimulates vision. It is not the logic analytical part of your mind where you count but it is the part of your brain that deals with imagination (Visualization & creativity).

People who are visual use that part of the brain. It is that part of you that does the creative process in your life. So He says that part must be filled with light.

In the spiritual world when you talk, words become creative forces. When you say chair, a chair shows up. The spirit world does not use logic, so he says "He wants you to be flooded with light". WHY? So that you can increase your matter; how much light can you have? Imagine, the more light you have, the more life you have; the more life you have the more joy you have, and the key has always been right before our eyes.

Psalms 119:130 (NKJV Strong's) The entrance of Your words gives light; It gives understanding to the simple.

His Word does not necessarily give light, His Word is light. He does not say "Your word gives light" A man can be in the Word and still be dark, because the word does not give light. Even though the word may be light, man may still live in darkness because it is not the word that gives you light but "The entrance of Your words gives light..."-The emphasis is on- "*The entrance...*" That means in order for you to be given

light there needs to be access points within you to have that word get into you.

Light is a necessity for the materialisation of matter, matter is anything tangible in your life. So He created everything through His Son because in Him was light. So you need that light in order for you to produce what God wants to create in your life and through your life. How are you going to get that? You are going to get that through the entrance of His Word in you.

So you can actually create a system where the Word of God always enters you. He says the entrance gives an impartation, the more of God's Word you allow through meditation, through contemplation, as you are listening, the more light is added you might not feel it, you might not see it, but you are being enlightened.

Psalms 119:130 (NKJV Strong's) The entrance of Your words gives light; It gives understanding to the simple.

So even though you are foolish, he says the entry of His Word will give you understanding, you will have an understanding mind. So it increases you *dianoia*. Think about what would happen to you if you had more light inside. He created the worlds through Jesus; we are not even talking about a nation we are talking about your life; with retrospective to the world your life is nothing. It is just a small little thing. You want to increase your financial life? The first step is not to a job, the first step is not business; the first step is light entry. So how do you get that? You get that through meditation_ Because that light entry is preparation for transmutation for physical tangibility for your desires but there is another thing that God is looking at.

When you have light your life should expand and increase. Many times when you hear the Word or teachings, you start getting pictures while you are in the service of how beautiful your life can be. You start seeing things, and when you go out you look at your life and Satan says to you will never amount to anything. That's the problem, because the pictures that God shows you when the Word comes, are the picture that you must hold. How many things have you lost by losing the pictures in your mind? You have forfeited your own miracle.

1 Corinthians 2:10-16 (NKJV Strong's) But God has revealed them to us through His Spirit. For the Spirit searches all things, yes, the deep things of God. 11 For what man knows the things of a man except the spirit of the man which is in him? Even so no one knows the things of God except the Spirit of God. 12 Now we have received, not the spirit of the world, but the Spirit who is from God, that we might know the

things that have been freely given to us by God.

13 These things we also speak, not in words which man's wisdom teaches but which the Holy Spirit teaches, comparing spiritual things with spiritual. 14 But the natural man does not receive the things of the Spirit of God, for they are foolishness to him; nor can he know them, because they are spiritually discerned. 15 But he who is spiritual judges all things, yet he himself is rightly judged by no one. 16 For “who has known the mind of the Lord that he may instruct Him?” But we have the mind of Christ.

That question in verse 16 is powerful! He is saying something that goes beyond our understanding of the English Word “*Instruct*” but he is talking about compelling God to do something. So he is saying, who has known the mind of the Lord that he should compel Him? Then he says but we have we the mind of Christ. He saying that the ones who have the mind of Christ are the ones has so known the mind God that they may compel Him. I will prove it to you – Moses! God says I will destroy this, let me make a new nation. The bible says that after Moses rebuked God, God said I repent (Exodus 32:14)

Moses talked God out of what God wanted to do. God said I am going to destroy everyone, let me start a nation through you and Moses said NO! He said “If you want to do this, block me out of the book of life” God said “Moses let it be as you have said”. What has happened is that Moses had ascended in what we call the counsel of God.

The counsel of a king is a group of men that are assembled together in counselling the king as to the decision he should make. So God in His sovereignty chose to have a counsel whereby He can consult when He wants to do something, such that He cannot and will not do anything apart from their concern. So he says “We have the mind of Christ” The mind that created the world, the mind that created angels, the mind that knows DNA, the mind that understands creation, the mind that is analytical. This mind was given to you when you came into Christ but because there is no light you cannot discover it.

Imagine if you think like Jesus. If you analysed like Jesus; you have His intelligence, believe it! We cannot see it because we don't have enough light. So the reason why you need the entrance is to awaken to the mind of Christ because the mind of Christ produces the character of Christ. The bible says “As a man thinketh in his heart so is

he” So if you think like Christ so you are Christ. This is reality and it must become part of your life, what we are teaching you is not religion, what we are teaching you is life.

He says that “If you continue my truth then you are my disciples” If you don’t continue in the truth you are not His disciple. You are only His disciple when you walk in the truth that He has taught us, which He has presented in His Word.

He says we have the mind of Christ. It is a perfect mind, a mind that has no worries, a mind that is always success conscious, a mind that is always love conscious, a mind that thinks no evil. You may ask how I get that mind. You can’t get it, you already have it, and all you need to do is to awaken to it through the entrance of the Word. If you are going to enjoy life, you must have light entry and you must eliminate darkness; Hatred is darkness.

The bible says “He that hates his brother is a liar and a murderer and he walks in darkness and he does not know where he is going”. Hatred has all these underlying factors. You cannot hate if you want to have the mind of Christ operating in you; you cannot be bitter, envious, worrisome and fearful if you want to have the mind of Christ, that’s the condition.

Nehemiah 8:10 (NKJV Strong's) Then he said to them, “Go your way, eat the fat, drink the sweet, and send portions to those for whom nothing is prepared; for this day is holy to our Lord. Do not sorrow, for the joy of the Lord is your strength.”

God is saying do not fabricate sorrow, do not fashion it; do not create sorrow. Actually you can create your own sorrow, you can create your own fears. When the disciples of Jesus were at the sea and the wind was boisterous. Jesus walked on water toward them, they all screamed because the bible says that they thought that they had seen a ghost. Before that have they ever seen a ghost? So what made their mind interpret that what they were seeing was actually a ghost? What happened? They fabricated a lie. Don’t fabricate things that are not there.

The bible says that the joy of the Lord is your strength, which means without joy you have no strength. Anybody that lacks joy is actually weakness and if you are weak your spirit is weak. If your spirit is weak the bible says “A weak spirit is like a city without walls...” Which means you are vulnerable, so maintain joy. Satan cannot steal your joy, he is powerless. Nothing in your Christianity will work apart from joy. The bible says that “With joy you shall dig the well spring of salvation” So joy is necessary to

enjoy the benefits of Christianity. Be joyful because Jesus is your Lord.
