Why Light is the secret to Life? Part 1

Light is the first Principle of the Kingdom.

14 August 2018

God has given us everything for a great life but most of us are losing it. The problem is that we are always looking for better solutions, better answers and better ways of doing things. Whereas we overlook the simplicity of life given to us in God's Word. If you read your Bible with a simple heart you will find that life should not be a mystery.

Life should not be an enigma! That is not how God made life to be. He made life so that we can enjoy it. You only have this life and there is no other life except for this one that you have. The life that you are going to have after this is consequential. This one life that God has given you is a gift. It is your responsibility to ensure that you make something beautiful out of it. The Bible says that, He made all things beautiful on the earth. You are on the earth and you need to make something beautiful out of your own life. He has given us every single thing that is necessary to make our lives beautiful. God has already made everything that is necessary for you to have a beautiful life. There is nothing extra that God would do.

It is our responsibility to utilise those resources that God has given us. For instance, if someone had given you a cell phone, heater, microwave or a kettle. It would be useless to you until you use it. And in reality it is how many of us are living; God has loaded us with benefits but we are not using them. And the reason as to why we are not using those resources that God has already given to us is because we are living in darkness. Even in the presence of those resources, you may not be able to see them when you are in darkness. If it is dark then every single thing is useless.

It is very dangerous living in darkness! And so God gives us His Word to enlighten us. In your life the Word of God will be either paramount to your livelihood or second place. And in life if the Word of God is second place then it is surely last. How many of us really do give inclination to the Word of God concerning our lives?

God's Word is important and we can never overemphasise its importance. And for the month of August I will be teaching on a series: Why Light is the secret to Life?

There are secrets that can help you live this kind of life. And make no doubt about it;

God wants you well in life. It serves God no purpose for you to live an imbalanced life. An imbalanced life is when there is no harmony in all the facets of your life_spirit, soul and body. True harmony is a balance throughout! God is as concerned about our spiritual progress as He is our soul progress. And He is as concerned about our physical progress as He is our spiritual progress. So there needs to be a manifestation in all these areas.

We do not please God by living a life of emotional rollercoaster. We cannot please God by living in unforgiveness and bitterness. Those things are poisonous to your soul. There are also things that are poisonous to your spirit and God does not want that. You would not give your child poison to eat. The problem is that we are not enlightened. Enlightenment has much more to do than seeing. It is much more than seeing the colours in the room or the things that are in the room. Enlightenment has to do with an understanding of that which you see. It is a dawning of revelation that comes to you.

Light is essential to life!

John 1:1-4 (NKJV Strong's) In the beginning was the Word, and the Word was with God, and the Word was God. 2 He was in the beginning with God. 3 All things were made through Him, and without Him nothing was made that was made. 4 In Him was life, and the life was the light of men.

There is a direct connection to light and living. In life, the less light you have the less you are living or the less of life you will experience. Your life is governed by the light that you possess. The word 'light' there in the Greek means force (To cast the rays upon) For instance, have you ever seen that in a musical theatre the entire room may be dark but the light is cast upon a specific person? And whenever that person moves, that light moves with them? That is force!

The above scripture means that the light is the force of man. This suggests to us that there is a light assigned to man to live by. And every time that man lives outside of that light; he is in death and darkness and there is no way that he can live. He is not talking about the physical light but a much greater light than this which is a source of life.

Creation is the product of light and that should tell us something. If all that we see is a product or originates from light, there is so much more in light that we can benefit

from because everything comes from it. Everything in creation must have this light to live by.

“In him was life, and that life was the light of man”

In other words that light was responsible to bring life into man’s spirit, soul and heart. It was not God’s plan that man should live in confusion. Confusion is not a phenomenon of life, when you find yourself confused and do not know what to do. It is not God’s intent for you!

When you face a predicament and you do not know what to do and then you are moved into the emotions of anxiety. That is because there is no light. And that means that the light that was responsible for you in life was removed.

There are certain things that are too difficult for some people to understand and at the same time there are people who understand whatever other people may perceive as being difficult. Psychology and Neurology may have different answers for that but the truth is there is a shortage of the light of life.

John 8:12 (NKJV Strong's) Then Jesus spoke to them again, saying, “I am the light of the world. He who follows Me shall not walk in darkness, but have the light of life.”

If anybody is not following Jesus then he is living in darkness. We know from studying the scriptures that Jesus Christ is the living *logos* (living word). He that does not follow the Word is living in darkness. The expression in the above scripture ‘light of life...’ means that there is also the darkness of life. And anybody that is not living in the Word is living in the darkness of life and that is where all the confusion, fear and negativity is. When you do not know what to do it becomes natural for you to shrink into all those negative behaviours. The light of life is when your life is one hundred percent enlightened. The cannot be darkness in your life even though you may walk in a world full of darkness, you will glaze through. David said: “Though I walk in the valley of the shadow of death, I will fear no evil”

You have the light of life but it must operate because you follow Jesus. You follow Jesus through His Word. Today we can walk with Him through the streets of Galilee through His Word.

John 1:4 (NKJV Strong's) In Him was life, and the life was the light of men.

If you want to live an absolutely great life, you must have the necessary light. You cannot have this kind of light until you have the *Zoe* life. And you cannot have *Zoe* until you are born again. Every child of God that is born again has *Zoe* life in them and thereby they have the light necessary for life.

Some Christians have been battling to live the *Zoe* life because they do not have the necessary light. So man can live the God life through light. Many of us have been living under the wrong light. You cannot know what reality is without light. So whatever light you live by, is the reality you answer to.

John 1:5 (NKJV Strong's) And the light shines in the darkness, and the darkness did not comprehend it.

Notice that this light does not take the darkness away. In every area that is dark; that light will shine. The area in which you lack is the area in which poverty exists. Because that area of life is deprived of light. For instance, if you suffering with health conditions that means that area of your life is deprived. The sickness is not the problem but light. And here is another thing; darkness attracts darkness. If in that area of your life, in this instance your health_ darkness exists you will attract everything that is of darkness.

Light came first and if light came first then that tells us that the only way darkness could be defined is by light. You do not define your parents but your parents define you. The parameters of darkness can only be described by light. So what light is not; darkness is.

John 1:5 (NKJV Strong's) And the light shines in the darkness, and the darkness did not comprehend it.

The light that is in *Zoe* shines in darkness. The word comprehend there is *Katalambano* which means it does not overpower it. This kind of light cannot be overpowered by darkness. And darkness will give way to the light when it presents itself. This light is an overpowering light. If there is an obscurity in your life that means there is no light. What humanity has is light problem. If you have marital problems the issue there is the light problem and not the marriage itself. If you have financial problems; the issue is the light problem. Life is orientated or is regulated by light!

“In him was life, and that life was the light of men”

The *Zoe* life is the light of man. So man without the *Zoe* life cannot have this kind of light. What kind of life you would live here on earth would be in direct proportion to the light that you possess or live by. So light is important! God said that my people are destroyed by the lack of knowledge. Your destruction is not what destroys you and if you understood this, then you would not shadow box life. Many people are shadow boxing in life and the predicament that you always find yourself in is not the problem. In of itself, it is not the root cause_ it is just the outflow of what is going on. But there is a root cause and it does not matter fighting the consequences, it will still come back if the root is not dealt with.

The lack of knowledge is ignorance and that is the area where darkness will capitalise on. Your ignorance is darkness. The area in which you are ignorant is the light of darkness. Suffering is just a by event!

If you are suffering today; it is because of the lack of knowledge. What you do not know is making you suffer and what you do know is not enough. You are suffering because you do not have much light in that area in which you are suffering in. And in life there is no vacuum. If you are not full of light then you will be full of something, which is darkness. If you are destroyed; then you are destroyed by what you do not know. Knowledge has increased in the world and that means that life is much more liveable and the best in life is accessible. When you have knowledge, the potential for a great life is possible. The only way we can be enlightened is through God's Word.

John 1:8-9 (NKJV Strong's) He was not that Light, but was sent to bear witness of that Light. 9 That was the true Light which gives light to every man coming into the world.

The Holy Spirit is very intentional in His communication. If the Spirit of God communicates something in the Word, then He intended it to be there. So in the above scripture He was talking about 'That light...' but in verse 9 He says 'That was the true light...' When He prefixes the noun 'True' that tells us that there are also other prefixes that you can add there. He is not the false light but he is also telling us that there is the false light. He does not put a definite article to light.

There are other false lights that we may find ourselves living by. Because he says that the reason for the true light is that it gives light to every man coming into the world. So every man that has ever come into this world was born been given that light. As long as a human being has not yet come into the age of accountability; they would still

go to heaven if they die because of that light. The true light is everywhere and man has chosen to live by other lights than the true light. The true light is Jesus and His Word.

You cannot live without the true light. And light is the protection for life and how well or how secured you are in this life will be determined by under which light you live by. In any area where you are suffering; the problem is not the suffering but the lack of light. For instance, the moment you direct your light in your sickness you find that it is not real. Everything under the true light shows reality.

Jesus knew that Lazarus would rise from the dead and that was because He had a different kind of light that caused Him to see differently. This light helps us to see life as Heaven sees it and every other light is false. You see yourself as broke because of the light from which you view yourself from and that will give you an obscured vision. Some of you are actually living by lights that are destroying your lives. The light that you live under; will actually educate your language and your speech.

You are a Christian and the *Zoe* life is in you and that tells you that there is a light that you should live by. The world has its own light and the light of this world is scientific knowledge. Scientific knowledge has its limitations and that is why doctors can only help you so far.

The true light governs your thinking and is the inspiration of your faith. We have been raised under certain lights that have obscured our vision; to the extent that some are not thinking straight. For instance, as a child of God you cannot curse yourself with sickness. In the Kingdom of God that is madness. You should not give yourself what God has not given to you. Every good and perfect gift is from God and any other you must reject it.

This is the secret to living a great life! God taught me what I am sharing with you at the moment. If any Christian wants to live a great Christian life; they must follow this rule.

LIGHT IS THE FIRST PRINCIPLE OF THE KINGDOM!

This is something that you should never ever forget and that is what the Holy Spirit said to me. The first thing that is done in any situation is to bring light. God does not and will not do anything if light is not present. If you understood this truth then you

would stop running around in life. Only light can tell you what is really wrong!

Genesis 1:1-3 (NKJV Strong's) In the beginning God created the heavens and the earth. 2 The earth was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters.

3 Then God said, "Let there be light"; and there was light.

In the beginning God did not call out for light because there was no need for it. The earth was formless that means that it became unformed and you could not see it. If you were there at that time then all you would see was the deep darkness of the sea. There was a demand for God to speak. Something was happening; that did not happen at first when God was creating. There was an ordeal in one of God's created realms and that is Earth. So the Earth was in ruins and a deep waste. And before God restructures and creates; He commands light to be. He needed light because there was a problem.

It was light that gave definition to the days. Your destiny only begins when you have light. As long as you outside the realm of light, your destiny will not begin. When there is something that the Godhead needs to attend to the first thing that they call out is light. Light is that which is necessary for precision of command. You know what to command and rebuke when you have light.

You need to expose your situations under the light of the Word of God because all things are unhidden to whom we have to deal with. Creation is naked before the Word of God. When you go through trials and tribulation you hardly think about the Word of God and that is because that situation tries to deviate your mind. Satan loves working in darkness!

John 3:20 (NKJV Strong's) For everyone practicing evil hates the light and does not come to the light, lest his deeds should be exposed.

Your trial or tribulation does not want to be exposed to light because it knows that the power it had over you will be shrunk. The Bible says that you should bring every thought to the captivity of Christ. What we do when we face things is that we do not run to the light, we use every other false light that makes the situation worse.

If you understood this truth, there is nothing that will ever move you. There is no

situation that you will ever face that would tear you apart because you would see it and say let me go get light. Your troubles are telling you that you need more light and that is why Jesus was sleeping when the boat was sinking. He had a different light!

I told you that fear capitalise where there is darkness. In psychology, they tell you that your brain does not have the capacity to focus on two emotions. If you are grateful you cannot be bitter. Your brain does not have that capacity. If you walk in love then you cannot fear. Because the Bible says that perfect love casts out fear. And it does not take time for things to change.

Psalms 27:1-3 (NKJV Strong's) The Lord is my light and my salvation;

Whom shall I fear?

The Lord is the strength of my life;

Of whom shall I be afraid?

2 When the wicked came against me

To eat up my flesh,

My enemies and foes,

They stumbled and fell.

3 Though an army may encamp against me,

My heart shall not fear;

Though war may rise against me,

In this I will be confident.

You do not have to pray for light and in the same way you do not have to pray to God to be with you. You cannot be in darkness if the Lord is your light. If you know this and have this a part of your life there is absolutely nobody that you can fear in this life. Anything or anybody that you fear, you exalt it above God.

The Word of God is that light that you ought to use against the darkness. The Word of God does not give light, it is light. You must know how to read the Bible. It is a spirit inspired book and you must read it slowly. There is an under tone of the spirit in

all scriptures. The Bible is the wisdom of God incarnated in words.

The Word of God is called the prophetic Word of God, it is prophecy. And everything in the Word can become your prophecy. That is how you can get light from the Word of God. You need to stop cursing yourself with sickness and lack. Do not also pressurize yourself with other people's opinions.

Psalms 119:105 (NKJV Strong's) Your word is a lamp to my feet

And a light to my path.

So with the Word of God you cannot stumble!

Psalms 119:130 (NKJV Strong's) The entrance of Your words gives light;

It gives understanding to the simple.

It is not His word that gives light but its entrance. The Word of God can only and will only give light to us when it enters. If it finds its way, it will give light. Now you understand why you have the Bible but you do not have light. In life you need light and it is important.

God felt the need to give us His Word in a book and that is because wisdom hides in books. It is the honour of God to hide a thing and the glory of kings to search it out. So He has hidden His wisdom in books. And that is a little secret into the light that can help you with life. If all you read are newspapers then you are in trouble. God does not care that you are suffering, He is more concerned about the principles or the laws that He has set in place.

God encased timeless wisdom to help us through every stage of our lives. We can constantly find ourselves evolving and changing in adaptation to the times. If Jesus was living in our times, He would wear suits and drives cars because He would adapt to the times. And that is why you found Him in the schools of thought and synagogues in His time.

The world is bigger than you and me. All you need is light and determination to access that point. There is no limitation of how much of light you can have. The person who is held accountable and responsible is you.

Why Light is the secret to Life? Part 2

The Kingdom of Light

24 August 2018

The blessings of God, in reality are our inheritance. They are those things in the Kingdom that we do not need to struggle to get, those are the things which we have been born into. One of the things that Jesus Christ said when He blessed Peter was that:

“Blessed are you, Simon Bar-Jonah, for flesh and blood has not revealed this to you, but My Father who is in heaven. And I also say to you that you are Peter, and on this rock I will build My church, and the gates of Hades shall not prevail against it. And I will give you the keys of the kingdom of heaven, and whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven.” MATTHEW 16:17-19

Those keys represent certain aspects of authority and also access. Every child of God has access to the best in the Kingdom but not every child of God is prepared to handle those things therefore the word of God through the ministry of the Spirit must entrain His people to walk in those realms. The Lord Jesus Christ said to Nicodemus:

“Most assuredly, I say to you, unless one is born again, he cannot see the kingdom of God.” JOHN 3:3

Once you are born again you are given entrance, that is our first access. Being born again grants us the first access into the Kingdom, we are born again and we have access into Gods’ Kingdom, and everything in the Kingdom belongs to us. This is something that we must develop in our minds to understand that God has given us all things. There is nothing that you could truly desire that you do not deserve, everything that your heart can grasp is within your reach and you can have it but there needs to be the form of readiness that accompanies that.

We got to a point on Sunday that a lot of things were unlocked concerning what we were discussing. I saw in the visions of God that the Lord has begun to open certain windows and doors. There is a 30day window that is given to us for favour that if we would go in faith and apply for jobs or opportunities in whatever career that we would

have qualified ourselves we would receive it. It is important that when we hear such things we respond. Let me show you something:

Revelation 4:1-2 (NKJV Strong's) After these things I looked, and behold, a door standing open in heaven. And the first voice which I heard was like a trumpet speaking with me, saying, "Come up here, and I will show you things which must take place after this." 2 Immediately I was in the Spirit; and behold, a throne set in heaven, and One sat on the throne.

As soon as this voice finished speaking he was caught up. This tells us something: though the door was open he would not enter until he was invited. What gave him the access was the invitation of that voice, the invitation of the word. Once the word of God comes to you_ you are given access into that realm from which the word of God came from. If the Spirit of God spoke to us the way that He spoke to us on Sunday that means you are given invitation by the Spirit into whatever it is behind that door, and that is favour.

This door is not always open because not all doors are open every time. You will receive promotions in areas concerning your prosperity in this next 30 day. I also saw other door after that and it amazed me because I did not know that there was such a thing until I saw it:

I saw several doors open in a linear way, and on every door there were markings. Some of the doors were written R5 000, some R10 000, some R25 000, some R60 000, some R1 000 000 and other R10 000 000, on every one of those doors were angels standing there and there were people going in. Those people had something like access cards that allowed them entry into whatever door they had to enter.

When I looked, I saw myself standing between the R1 000 000 door and R10 000 000 door. I almost heard as if the Spirit of God was saying to me choose. When I enquired of the Lord concerning this, He said to me:

"This are the different graces of prosperity given to men such that there will be allocated grace"

For instance: if you walked in the door that was written R15 000, you would have allocated grace to almost always receive in that area. The progression depends on grace therefore there is such a thing as the grace for prosperity because doors that are in the spirit represent certain areas of our lives that we would live out on earth. There

is a certain dualism of life that we must understand, you must understand that we are engaged both spiritually and naturally. When we see certain things with the eyes of the spirit we would therefore understand where in our lives we should be.

This is the reason every child of God must see visions, if you are a Christian you must always see visions. This must be a constant thing in your life, after we finish with this series you will realise that seeing visions is simple because what we are dealing with here is actually the factors that contribute to functioning in the realm of God. You cannot function in Gods' realm and not see. Here is the thing: You do see, there is no human being on the earth that doesn't see visions. The problem sometimes is that we do not really know how to define visions because people think a vision has something to do with seeing in the other realm. There is a truth in that but you can think and it be a vision.

The word 'think' in the Hebrew *aiyn* this word carries the connotation of seeing with the mind. To think is actually to see with the mind therefore you can use your mind to see or to talk. There are different dimensions to thinking and one of those dimensions has to do with visions. There are other elements of visions that are much deeper and go much further, this level has to do with the literal opening of your physical eyes and spiritual eyes.

“And it shall come to pass afterward That I will pour out My Spirit on all flesh; Your sons and your daughters shall prophesy, Your old men shall dream dreams, Your young men shall see visions.” JOEL 2:28

If you would live in the visions of God, you would have a clear understanding of how your natural life should go. Some people live but they don't know that the way they are living is not Gods' intended way for them because they have not seen it, they live as the ones without direction because they have not seen Gods' intended way for them. Visions helps us to receive guidance from the Spirit.

When we close our eyes we see Gods' future. There is such a thing as grace for prosperity, and we can flow in that grace two ways. Firstly: Through associating with men and women that have that same grace and it rubes off. My friend has grace for millions and because I have spent so much time with him, that grace rested on me as well. It went to the extent that the Lord told him that the grace on him is also on me. This happened because of association. Secondly: You can get into it through the application of faith in the word of God were you use your faith and grow your faith

into that grace level.

Revelation 4:1 (NKJV Strong's) After these things I looked, and behold, a door standing open in heaven. And the first voice which I heard was like a trumpet speaking with me, saying, "Come up here, and I will show you things which must take place after this."

Notice this door was not on earth but in the spirit therefore there are heavenly doors that we can access from earth that would change our lives. This was the door leading directly into the throne room, I have walked through that door many times. Do you know where that door is? The word of God is all the key that you need for all the doors of life, and because the word of God has many dimensions to it but not many of us flow into those dimensions.

Revelation 4:1 (NKJV Strong's) After these things I looked, and behold, a door standing open in heaven.

This tells you that there are things about you that will not be disclosed here on earth that you must go into the spirit to receive them. You can get those things many times when you pray in the spirit. Walk in those doors! I said: First it is by the invitation of the voice. For instance we are talking about the spirit of prosperity, those are keys that we are giving you. The words that you are receiving_ you can use them as keys to accessing different places in the spirit because you have heard the word concerning prosperity therefore you can partition the Father to send it. When you learn such truth, life on earth becomes enjoyable because you are using Heavenly secrets to alter physical realities.

Praise the Lord!

We asked a question last week: Why is light the secret to life? I am utterly convinced that any Christian who would get hold of the revelation of light, will never lose in life. Today I will begin to answer one or two points with regard to this. Last week I said to you: Light is the first principle of the Kingdom.

Genesis 1:1 (NKJV Strong's) In the beginning God created the heavens and the earth.

Let me show you how He did that:

Psalms 33:4-9 (NKJV Strong's) For the word of the Lord is right,

And all His work is done in truth.

5 He loves righteousness and justice;

The earth is full of the goodness of the Lord.

6 By the word of the Lord the heavens were made,

And all the host of them by the breath of His mouth.

7 He gathers the waters of the sea together as a heap;

He lays up the deep in storehouses.

8 Let all the earth fear the Lord;

Let all the inhabitants of the world stand in awe of Him.

9 For He spoke, and it was done;

He commanded, and it stood fast.

Creation is a direct product of Gods' word. He didn't think but He spoke. This God who spoke and creation was the word which He spoke, therefore He spoke but He is that word which He spoke that brought forth creation. The command and word that went forth was actually God. Creation is the products of light, when He speaks light comes out. Everything at that time had the presence of light imbedded in it, this is the reason Moses could talk to the rock, Jesus could talk to the sea and Joshua could talk to the sun.

There is such a thing as the coding of light inside creation. So God said 'Let there be...' All of them were and they were sustained. Earth is the only place that trees and animals do not speak, if you would go to other realms in the spirit you would realise that it is not so. If you go to Heaven, the flowers have intelligence. When you step on a grass in Heaven, there would be no footprint left, the grass would come back again. All the flowers and trees sing, there is light and melody that comes from them because in them it is life and essence of God.

It was like that on earth until death crypt in. When He said 'Let there be light...' There was already trouble. He did not need to say 'Let there be light...' When He

created the Heavens and the Earth because there was not the presence of darkness, there was only God.

1 Timothy 6:13 (NKJV Strong's) I urge you in the sight of God who gives life to all things,

Did you see that? He gives life to all things. Think about this: When God breathed into Adam, he became a living soul. What do you think would happen to the trees if God would breathe into them? If Adam became a living soul by Gods' breath, what happened to all creation? They had to be alive because there is nothing dead in God.

1 Timothy 6:13-16 (NKJV Strong's) I urge you in the sight of God who gives life to all things, and before Christ Jesus who witnessed the good confession before Pontius Pilate, 14 that you keep this commandment without spot, blameless until our Lord Jesus Christ's appearing, 15 which He will manifest in His own time, He who is the blessed and only Potentate, the King of kings and Lord of lords, 16 who alone has immortality, dwelling in unapproachable light, whom no man has seen or can see, to whom be honor and everlasting power. Amen.

The inability to die! And the bible says, Jesus Christ has brought immortality. One day we will teach this things, we are waiting for the Church to rise in order to teach this truths. Immortality was always hidden in God but through the Gospel He has made immortality possible.

1 Timothy 6:16 (NKJV Strong's) who alone has immortality, dwelling in unapproachable light, whom no man has seen or can see, to whom be honor and everlasting power. Amen.

That is His dwelling! Let me share something with you: There is something about God that He has hidden about Himself preserved for the time to come because this is Gods' highest dimension of Himself. When the bible says, He dwells in the unapproachable light_ it is a realm that has not been created. It is the realm where He is, there is no Father, Son or the Holy Spirit but He is. Creation as it is because of the stain of sin cannot contain that God, so the highest glory for the time we can ever have of God is Jesus. He is Gods' highest glory at this current state, He is not Gods' all glory. He is not the fullness of God!

He is in Heaven today the image of the invisible God, on earth He was the image of

the invisible God in Heaven but when you get to Heaven, He is the image of the invisible God because God is actually invisible.

1 Timothy 6:16 (NKJV Strong's) who alone has immortality, dwelling in unapproachable light, whom no man has seen or can see, to whom be honor and everlasting power. Amen.

Do you know in Heaven, there are things that cannot be seen even though Heaven is a spiritual realm? Because there are invisible things within Heaven. When He created, He did not need to call light because He was dwelling in that realm. This tells us something about the Kingdom of God: It is a Kingdom of Light. If that is the case, that means everything about life that would be in Gods' standard must contain the light of life. Nobody could have access to that light of life until Jesus came, when He came, He said 'I am the light of the world...'

Let me show you something about God:

If we were to say it because of the lack of words, we would say: Jesus is the stepping down of God. He is God who stepped down of His true realm. The only way you would see God and really understand Him is by studying and looking at Jesus. When Jesus has finished doing all things, He will go back into the Father. This are the mysteries of creation.

So, light is the first principle of the Kingdom. The first thing that must come first is always light. Light must precede creation, and light must also precede restoration. It was not Gods' intended plan that there would be a need for a sun and a moon.

1 John 1:3 (NKJV Strong's) that which we have seen and heard we declare to you, that you also may have fellowship with us; and truly our fellowship is with the Father and with His Son Jesus Christ.

This is what they heard from Him! Look at Gods' constituency here. The DNA of God, what is causing inside God_ the lifeblood of God. Light is who God is, and he is not talking about the light which we see but the light that is God. He is telling us that *zoe* is actually light because God is light. Every thought of God carries light, and every word carries light. This is the reason His word is light because everything that is issuing from Him carries in itself His DNA.

Verse 6 (NKJV Strong's) If we say that we have fellowship with Him, and walk

in darkness, we lie and do not practice the truth.

We cannot fellowship with God if we walk in darkness. How does God measure life? According to the light that we possess and walk in, so the spirituality of life is measured by the light that an individual possess. Your knowledge of God is based on the light you have, and God cannot fellowship with you beyond the light that is in your spirit, if He does that you would die. God will not fellowship with you in that area which is darkness, this is the reason you can be a Christian and live in poverty because God doesn't fellowship with you in that realm.

Until light comes, God cannot dine with you. The principles of wealth cannot be in operation until light has entered you in that arena. Light is important, it is actually the life defining point. Everything in life goes back to the light in you. Don't forget that life originate from God, therefore only God can define life. The highest manifestation of light is in the new creation. Why am I failing in life? Why isn't there any progress in my life? Because you are measuring life with wrong measurements, you are measuring success and failure by wrong measurements. The dimension in which you must measure your life is in the light that you have in you, not just any light but the light of God.

The light that I have must be in connection to the light God. Do you know that darkness can be your light?

Matthew 6:22-23 (NKJV Strong's) "The lamp of the body is the eye. If therefore your eye is good, your whole body will be full of light. 23 But if your eye is bad, your whole body will be full of darkness. If therefore the light that is in you is darkness, how great is that darkness!

You can have darkness as your light. You can have darkness as the measurement of your life. Why is light the secret to life? Because God is light. The highest of life that you will attain to will always be determined by the degree of light inside your spirit. Only a great light constitute a great life, with more light I can see more. The more intense the light the more I can see, the more I can understand and the more I can negotiate the path of life.

We live in different arena of life based on the amount of light we have because your light exposes you to life. If you have a candle you are only exposed to the circumference of the light of that candle therefore the circumference increases as the

type of light changes. The further you will go will be determined by the light you have. What do you want in life? What are those things you want to achieve? All this is based on the light you have.

Every time you want to progress in life you must ask yourself this question, how much life of God do you possess in this area of life? If you had the chance to choose between prayer and meditation, always choose meditation because it is only in meditation that you commune with God at the level where He is. In prayer it is always in proportion to your faith, but in meditation you relate with God in the level of God because you are using that thing which is himself to relate with Him. When you are in prayer you can only use your believe, your trust and your faith.

God never told Joshua that the secret to his success was prayer, but He told him that it was meditation. You can pray but have your prayers in the dark, when you speaking in tongues without the word of God in their system, you are praying in darkness. The light of God is important, can you see that? You should always measure your life based on the light that you have because you cannot succeed beyond the light that you have. You have to notice that this is not normal light, but it is the light that reconstructed the world. This is the light that shaped the world, this is the light that gave light to all things. The imagination of light is seen creation.

Look at how a dog is different from a cat, only the Holy Spirit can do such things because when you look at creation you are seeing the ingenuity of God. God is light, this must tell you that every quality of God must have light. Wisdom has light, Knowledge has light, Counsel has light, the fear of the Lord has light, and love has light because God highest realm is as Himself light.

1 John 1:7 (NKJV Strong's) But if we walk in the light as He is in the light, we have fellowship with one another,

Fellowship with God and the beings of God is based on the amount of light that we walk in. It is possible to attain God at His highest.

“If we walk in the light...”

Firstly, this tells us that we can walk in the light.

“As He is in the light...”

Secondly, we can walk in the light that God is in presently. Remember when Jesus

transfigured in Matthew?

Matthew 17:5-8 (NKJV Strong's) While he was still speaking, behold, a bright cloud overshadowed them; and suddenly a voice came out of the cloud, saying, "This is My beloved Son, in whom I am well pleased. Hear Him!" 6 And when the disciples heard it, they fell on their faces and were greatly afraid. 7 But Jesus came and touched them and said, "Arise, and do not be afraid." 8 When they had lifted up their eyes, they saw no one but Jesus only.

Were any of the disciples blinded? They were not blinded because they described exactly what happened to Him. There had to be a certain capacitor that Jesus had put in their spirits to allow them to see, do you know what that capacitor was?

Matthew 16:28 (NKJV Strong's) Assuredly, I say to you, there are some standing here who shall not taste death till they see the Son of Man coming in His kingdom."

That was the word. And what was the Kingdom of God? Light and they saw it, because the Kingdom is always tight to the casting of light. All along Jesus had that light in Himself but when He began to pray before His disciples that light showed up and that light also invited Moses and Elijah. Why did that happen? Because that light opened a realm, they were on the light of God. Do you understand the possibilities that the light of God can afford you? When you begin to walk in that light, God will begin to give you access into realms of life which you never thought they were there. He will begin to grant you access to places of fellowship with other beings which you never thought were there. Your progression in life is based on the light you have.

1 John 1:7 (NKJV Strong's) But if we walk in the light as He is in the light, we have fellowship with one another, and the blood of Jesus Christ His Son cleanses us from all sin.

Light is the realm of truth; the dimension of truth and it is also the realm of God. The more of light I have the more of life I understand.

Ephesians 5:8 (NKJV Strong's) For you were once darkness, but now you are light in the Lord. Walk as children of light

Even though He says you are light, He is still telling you to walk. This is implying that you may not walk as the children of light but the children of darkness.

Verse 11 (NKJV Strong's) finding out what is acceptable to the Lord. 11 And have no fellowship with the unfruitful works of darkness, but rather expose them.

Poverty and sickness is a work of darkness. He is telling you not to have any fellowship with them rather expose them. Expose the work of poverty in your life, expose it!

Verse 13 (NKJV Strong's) But all things that are exposed are made manifest by the light, for whatever makes manifest is light.

So, you can't expose anything of darkness unless you have light in you. Stagnation is a work of darkness! Idleness is a work of darkness! What is that thing that is limiting you? What is that thing that is stopping your growth? And when you find it out, you expose it. The best kind of light is the word of God because nothing escapes the word of God.

Let me tell you something: There are strongholds that you have that even yourself don't know that you have, do you know that? The way your life is today is actually determined by the entrancement of information in your mind. Sometimes you find that you do all that seems to be right but nothing is going accordingly, there is something that you are missing which only light can identify because while you grow up you develop blind spots.

You can blame every other thing but because of these blind spots you cannot see. What you really need in life is only one thing, and that is the word of God. The best thing that you can ever do for your life is to invest your time in the word of God. The word of God brings you to the rest of God.

Hebrews 4:12 (NKJV Strong's) For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart.

What do you think your life will become once the word of God has dissected and removed everything that does not belong? The problem is that we have not given ourselves time in the word. Moses stayed 40 days while God was speaking to him, and that changed his whole life. When you read such stories what do you think would happen to you if you give yourself the same amount of time? The best thing that I have ever done for my life was to make the word of God my best friend. You don't

know what the word of God can do for you unless you give yourself time.
