The Origin of Wealth and Poverty

(Part 1)

I believe what you are going to learn during this Wealth Conference will change your life in the area of finances; not only that but also all areas of your life. God's dream for His children is that we should prosper in all areas of our lives.

In any area of our lives where we experience lack, it is the area where we are most impoverished. Poverty is just but one aspect but anytime you lack in a certain area of your life then you are poor. And that is a curse because that is not what God designed for His children.

The Spirit of God has impressed upon me to have this Conference; where we would minister to you the Word of God and God's mind for your life financially. Make no mistake that if your financial life is down then it will affect every area of your life. If you are not "propped up" financially then you would very much struggle in that area of your life. We live in a world that is physically orientated and that is dominated by the use of money. In this world money buys anything, it even buys happiness.

We cannot say that money excludes the Christian narrative. And what you going to learn from the scriptures throughout the next three days is that God does not associate with moneyless people. If He ever meets you poor then you can never remain that way. The poor needs the gospel the most, because of where they are. I want you to have an open and clear mind especially to the side of things that I am going to share with you. Some of the things that I am going to share with you are very unconventional because you have believed them for a long time. This is the reason the word of God is there: To cast out the strongholds that we have been holding.

There is one thing that I want you to understand from the beginning and that is you are where you are today because of you, be it financially or your status quo in society. It is not because of what has happened around you. You are the cause of everything that happens in your life. I want you to understand that so that when I begin to share some other things with you; you should not have a hard time accepting them.

If you don't take responsibility for your life then nothing can never ever happen.

Man must take responsibility for their lives because life is a gift from God. The Lord gives us life that we may live it in such a way that our lives become our gift back to God. Wherever we are today financially is because of us. Every man in the eyes of God is equal. So we are going to teach and show you things that will begin to elevate you if you work them out.

3 John 1:1-2 (NKJV Strong's) The Elder,

To the beloved Gaius, whom I love in truth:

2 Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers.

The Lord's desire is that you should be in success in all things. I want you to notice the three or fivefold prosperity plan. The word prosper there means to have a successful journey. And that should be inclusive of all the successes that are found in the world. In everything or this journey that is called life: God wants you to prosper. He is talking about material, physical or tangible success. Health is wealth and it is part of the wealth package of God. Now what you should notice is that we are speaking in terms of God's kingdom system. So health is essential and that is why more than any other miracle that Jesus did was to heal people.

I want you to notice something and that is physical prosperity is connected to spiritual prosperity. And that is why today I want to share with you about the origins of wealth and poverty.

Wealth has a source and poverty must also have an origin. You can never prosper physically or in your health, if you don't prosper in the Spirit. True prosperity starts in the unseen (It is spiritual). If you are sick in your soul, then you can never be prosperous. Many of us are sick mentally and one may ask what do you mean? Stress, depression, bitterness and anxiety are diseases of the mind. So he wants you to have an enlarged soul.

Wealth is nothing physical. I want to show it to you from the Bible. You can be poor and still have. The best way I can define to be poor and still have is based on the middle class of society. Being a middle class citizen is that you are good enough for debt and also a decorated poor person. In true retrospect there is no middle class,

there is just the poor and the rich. If you say that you are middle class, that you are neither poor nor rich, what you are actually saying is that you are a decorated poor person. So you are poor but you have enough to sustain yourself. I will show how that came about.

When we are talking about wealth, we are talking about more than just about the accumulation of something we are talking about a spiritual phenomenon.

Genesis 1:26 (NKJV Strong's) Then God said, "Let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth."

So God was saying that let us make man over something that is already there. The fish, birds and cattle came before man. I want you to see what God is doing here so that you are not misled. He is talking about the classification of species, when He mentions birds He is talking about all the species of birds that are there; and that is all the different kinds of birds that are there.

When He is talking about fish, He is talking about all the types of fish that are there. When He is talking about cattle He is talking about earth beasts.

The fish lives in the sea, so God is saying that He wants man to have dominion over the sea. He also wants man to have dominion over the air, earth and land. God wanted the man to be in charge of sea, land and air.

Now all of these things He is mentioning to us and He created them before created man. So there was already an abundance of fish, cattle, crop, birds and vegetation before man. All of these things were created but they had no name, because God did not have any naming power (He gave it to man). The man was supposed to be the man of dominion and he was supposed to control the elements. He was not supposed to create it but to control it.

Now every single thing that God created came from His Word and His Word is that which created all things. So true wealth is from the source of God's wealth and wealth is that which God creates through His Word. The power of wealth is the Word of God.

Genesis 1:28 (NKJV Strong's) Then God blessed them, and God said to them, "Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth."

Now we see two things here and that is God gave man dominion and He blessed them. When people read this scripture they think about pro-creation, but God is not talking about pro-creation here. The words that are used in that verse do not in any way suggest pro-creation. What God was saying there was that the man ought to be productive. The blessing was to be productive. The word 'Multiply' there means to be in abundance. What He is trying to mention there is that you should be productive and multiply. The word 'Subdue' means that to bring something under your control.

This suggests that it could not begin to work until the blessing was initiated. The blessing enabled them to have dominion; so the blessing of God enables man to have the dominion over all that He mentioned. So wealth control comes from the blessing. But before dominion came there was a serious thing that man needed to do. The man needed to be productive. So no dominion can ever come until you learn to be productive. Every single time you are productive, the blessing can work.

Adam is the representation of humanity, He does not represent Christians. So any time man finds himself in the arena or system of productivity, the blessing works. The blessing does not work by prayer. And it is not prayer that makes the blessing to work and that is a problem with many Christians. Productivity is the first step to wealth management.

Genesis 1:29 (NKJV Strong's) And God said, "See, I have given you every herb that yields seed which is on the face of all the earth, and every tree whose fruit yields seed; to you it shall be for food.

God only created one apple tree and one orange tree; the Bible says that there was the tree of life and not the trees of life. God created every single kind of fruit but He only did it once. And one may ask why? Because the blessing said that the man needed to be productive. And now we are beginning to get into what wealth is.

God was telling Adam that if he was going to have abundance; he has to learn how

to use seed. In that seed was not just one tree but many trees. The rest was up to man because the blessing said that you should be productive. God always gives you something to start up with. If Adam never sowed all the seeds he was going to run dry.

Genesis 1:30 (NKJV Strong's) Also, to every beast of the earth, to every bird of the air, and to everything that creeps on the earth, in which there is life, I have given every green herb for food"; and it was so.

So it was Adam's responsibility to ensure that the beasts had food. Adam was supposed to be a farmer. God is a farmer and that is what He was teaching Adam. Before we read the book of Genesis chapter two, I would like to explain something to you.

When I was reading the book of Genesis chapter two; I thought that what this chapter was saying was contradictory to chapter one. So when I was reading this chapter I thought that when God said that "Be light..." Light did not come up until chapter two but it is not like that, because the bible says that "And God saw that the light was good..." What chapter two does is that it begins to narrate to us the history of chapter one. It is a narration of the history of chapter one.

Genesis 2:1-3 (NKJV Strong's) Thus the heavens and the earth, and all the host of them, were finished. 2 And on the seventh day God ended His work which He had done, and He rested on the seventh day from all His work which He had done. 3 Then God blessed the seventh day and sanctified it, because in it He rested from all His work which God had created and made.

God ended His work on the seventh day and Adam came on the sixth day. Adam was God's final creation and work. After Adam, God stopped working. Don't forget this because this will help you to understand the way the world is today in fiscal monetary terms.

When man came, God ceased to work. Adam was born in God's rest day. Adam was God's final work in day six but he woke up on the seventh day. Man was not created for the Sabbath but the Sabbath was created for man. Sabbath was Adam's birth day.

Man was never made to toil. Man was not born for work but for rest. God never intended that man should struggle. Adam did not need to create the trees, make the fish, create land or make the beast. The conditions were already set for him even

before he was created.

Wealth is the environment that has already been created for you that ensures progress, sustainability and unimaginable prosperity.

Genesis 2:4-5 (NKJV Strong's) This is the history of the heavens and the earth when they were created, in the day that the Lord God made the earth and the heavens, 5 before any plant of the field was in the earth and before any herb of the field had grown. For the Lord God had not caused it to rain on the earth, and there was no man to till the ground;

When Adam came and God opened his eyes, every single thing that God created was there. God did not just put Adam in the Earth, but He put him in a specific section of the earth.

Genesis 2:7 (NKJV Strong's) And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living being.

Man's worth is dust, and dust created the most valuable thing to God and that is man. I still tell you even up to this day that there is something in dust. If there was no land there could be no wealth. If there was no land there could be no fruit and trees. If there were no trees, there could be no tables, chairs, paper. If there were no trees there could be no money. All these things come from the dust. Glass comes from dust and gold is produced in the dust. The molten fire cannot produce diamonds without dust. And God choose to make man from that very same dust.

So right now we are focusing on the origins of wealth.

Genesis 2:8 (NKJV Strong's) The Lord God planted a garden eastward in Eden, and there He put the man whom He had formed.

Eden was a city and the Bible says that when Lot and Abraham separated. Lot saw the valleys of Jordan and they were like the gardens of Eden. Sodom was a city. God was dealing with a city in the above scripture that we've just read. Adam's assignment as the earth and God placed Adam in the garden.

The word 'Eden' means luxury, the city of pleasure. It also means the city of luxurious living. And that is why the whole world is fighting for that small piece of

land called Israel. If you look at Israel on the map is quite small, yet the whole world is fighting for that land and reason being is that all the most precious minerals in the world are there.

The 99% of the oil comes from the Middle East, and 60% of all the wealthy people in the world are Jews and another 30% of wealthy people are Arabs.

God placed Adam in Eden and Adam was living a luxurious life and he did not work for it. Adam was born into it. What we have today is substituted wealth and not true wealth.

Genesis 2:10 (NKJV Strong's) Now a river went out of Eden to water the garden, and from there it parted and became four riverheads.

Revelation 22:1 (NKJV Strong's) And he showed me a pure river of water of life, clear as crystal, proceeding from the throne of God and of the Lamb.

Now the earth is made out of 80% of water and the 20% is land. One may ask, what is the source of water? It is the womb and the matrix. We know from science that water is a combustion of gases which is hydrogen and oxygen. When these two are combined, they form water. But both of these elements are gases. So its elemental essence is spiritual.

Revelation 22:2 (NKJV Strong's) In the middle of its street, and on either side of the river, was the tree of life, which bore twelve fruits, each tree yielding its fruit every month. The leaves of the tree were for the healing of the nations.

In Genesis we were reading about the tree of life and the river, and again here in the Book of Revelation we are reading about the tree of life and the river as well.

Revelation 21:18-19 (NKJV Strong's) The construction of its wall was of jasper; and the city was pure gold, like clear glass. 19 The foundations of the wall of the city were adorned with all kinds of precious stones: the first foundation was jasper, the second sapphire, the third chalcedony, the fourth emerald,

In the modern times what we define as wealth today was God's construction materials. God uses what we know to be wealth as constructive material to build a habitation. Wealth is that which builds a desired habitation.

True wealth is a spiritual phenomenon because it comes from God. The source of all wealth is God in its original source. The bible tells us that all the natural components of wealth and that is gold, pearls, diamonds, precious gems, precious stones, agriculture, trees and fruits are all spiritual in their essence. All precious minerals, which are known today as wealth, are construction materials in Heaven. They furnish the streets, the gates, the walls and the temples in the heavenly spheres.

Wealth is the covering of God's habitation. He used what we know today as wealth to build the environment for his habitation. Elements of wealth are therefore means to an end. True wealth can be defined as an environment desired, with desired intent and the abundance of host and strength of that environment.

Man was born into abundance. Wealth is a plan proposition by God for man.

God is doing all of this deliberate and I told you that Adam is a representation of humanity. Whatever that God was doing with Adam, He was telling us that He was doing it for every single man. Let us think about this for a moment: Cain, Abel, Seth and all these other folks. If Adam had not sinned then Cain would have been born in Eden. If Abel and Seth had come, they were also going to be born in Eden. What work was there that they needed to do? Because by the time they would have been born their father would have already done every single thing. And besides there was already an abundance.

God is looking for people who can manage His wealth, He is not looking for people who can work to get it.

Genesis 2:11-14 (NKJV Strong's) The name of the first is Pishon; it is the one which skirts the whole land of Havilah, where there is gold. 12 And the gold of that land is good. Bdellium and the onyx stone are there. 13 The name of the second river is Gihon; it is the one which goes around the whole land of Cush. 14 The name of the third river is Hiddekel; it is the one which goes toward the east of Assyria. The fourth river is the Euphrates.

We can definitely see something about the Garden of Eden, and that it is somewhere between Africa and the Middle East. Assyria was the land of Shem. Assyria is present day Iraq. The four rivers are as follows and including their meaning too:

- Pishon- *Increase*
- Gihon- *bursting forth*
- Hiddekel- *rapidly*
- Euphrates- *fruitfulness*

So when you read that in full text it says that your increase shall burst forth rapidly of fruitfulness.

The funny thing about all of this is that Adam did not need all of this gold but it was there in anyway. Where you and I are living right now is outside Eden. And Eden is just much more than a city; it is an environment. Wealth is spiritual in its essence and it comes from God. The origins of wealth has to do with the blessing. But for the blessing to begin to work there must be productivity, management, multiplication and increase.

The word 'Productivity' comes from the word produce. What you must ask yourself is that are you productive and if you say yes, then you need to show me what you have produced. Productivity and multiplication works hand in hand. What you don't produce cannot multiply. In the DNA of wealth, productivity is essential. If you cannot produce then you will be poor. If you cannot manage then you will be poor. The very definition of management carries with it the notion of being able to produce, multiply and preserve.

There is no government that is rich and those who are rich are the enterprises within the nations. When we talk about the Gross Domestic Product (GDP) we refer to the amount that was made through the productivity of the nation. It is not the government that can create jobs. It is the poor that depend on the government, and the rich control the government. That is why someone who is not a Christian can be rich, and that is because they are productive. The wealth of any nation does not lie in the government; it lies with its private sector and with its business enterprise.

I was just laying that as a foundation, so that you can understand certain things that I want to explain to you. The only difference between where you are and where you want to be is information. All you need to go where you are supposed to go is knowledge (sound accurate information). Man was blessed with an inherit ability. So what God did for man was wonderful and exceptional. He blessed the man with the

ability to be productive, multiplying, subduing the earth and filling it. He also gave him an enabling environment in which He could do all of those things without toil and struggle.

God gave man to eat from every tree but excluding one tree. It was a principle and today we call that tithe. All the productivity, multiplication and subduing would not have worked out, if he (Adam) did not keep the tithe. And every other nation today works on that system. And that is what taxation is. It is also the redistribution wealth of the population. The government's role is to administrate its functionality.

If a person does not pay tax, we call that being ineffective and useless to the economy of the nation. The only reason why people don't pay tax is that they are unproductive. Any citizen that lives in a nation is supposed to pay tax because that is the wealth of the nation.

God said to Adam that He was suppose not to eat from the tree of knowledge of good and evil, but Adam ate and when he did that he became the originator of what we call today poverty.

Wealth comes from God and poverty comes from man. Riches come from the hand of God but poverty comes from man and not Satan. The Bible says that when Lot saw the valleys of Jordan and that it was like the gardens of Eden. What was happening in Sodom was homosexuality. And today homosexuality is all over the world and most of the homosexuals are rich; that would definitely tell you something about Satan. Poverty is not a Satan-made thing and Satan himself does not like poverty.

Poverty is a curse of man's disobedience. Now let us see how God defines poverty!

Genesis 3:17-19 (NKJV Strong's) Then to Adam He said, "Because you have heeded the voice of your wife, and have eaten from the tree of which I commanded you, saying, 'You shall not eat of it':

"Cursed is the ground for your sake;

In toil you shall eat of it

All the days of your life.

18 Both thorns and thistles it shall bring forth for you,

And you shall eat the herb of the field.

19 In the sweat of your face you shall eat bread

Till you return to the ground,

For out of it you were taken;

For dust you are,

And to dust you shall return.”

Adam represents humanity and this was a widespread curse. Now here is what happened; God cursed Adam and the curse was now spread to all man. Now years went by and the curse was still there. Then Noah comes into the scene and God said that he has found a righteous man. God gave Noah the blessing that He gave to Adam. Noah now becomes the reference point for humanity. The same blessing that was given to Adam was now given to Noah. God had to now start all over. Let us quickly read about Cain.

Genesis 4:9-11 (NKJV Strong's) Then the Lord said to Cain, “Where is Abel your brother?”

He said, “I do not know. Am I my brother's keeper?”

10 And He said, “What have you done? The voice of your brother's blood cries out to Me from the ground. 11 So now you are cursed from the earth, which has opened its mouth to receive your brother's blood from your hand.

At first God curses the ground and now He curses the man. So from that time on man began to strive until He started again with Noah. The curse was the origin of poverty and I do not want you to forget the curse. By God’s standards every single

man would have been struggling today but Noah did something and he planted a vineyard and got drunk.

Poverty today is associated with man of colour and that is the black man. It was taken from a global phenomenon to a specified group of people.

Noah had three sons, Ham, Shem and Japheth and they all had their wives. After the flood, Noah planted a vineyard and started drinking because there was nothing to do. Now Noah had full anatomy of the blessing, and he was the head of the eight people. As time went by, Noah drunk himself naked and one of his sons; Ham saw his father's nakedness. He went to go tell his brothers but his brothers did not look at his father's nakedness and they covered him. In the morning Noah remembered what his son Ham had done to him. Noah cursed his son Ham.

Genesis 9:25-27 (NKJV Strong's) Then he said:

“Cursed be Canaan;

A servant of servants

He shall be to his brethren.” 26 And he said:

“Blessed be the Lord,

The God of Shem,

And may Canaan be his servant.

27 May God enlarge Japheth,

And may he dwell in the tents of Shem;

And may Canaan be his servant.”

The cursed was now transferred to a specific group of people. That was the beginning of the economic suffering that the African people are faced with. Until the

reality of Christendom enters you, this plaque will still follow you.

Now Shem is the father of all Jews and Arabs. Ham is the father of all Africans Japheth is the father of all Asians. Africa is called the Dark Continent all over the world. Now it is believed that the ancestral line off all the Americans is Jews. Japheth is enlarged; look at the countries like China and Russia.

You will always see Canaan in the malls busy serving. You will never see Ham with Shem and Japheth; it is very rare. Africans are the markets of the world and something that was determined for everyone globally was now transferred to a group of people. The greatest sin is with Noah. The sin of poverty comes from Noah.

The blessing can work for us because we are in Christ today. You are not an African because you are black but you are an African because you think like one. You will still suffer if you are an African in your nature and thinking.

When we talk about wealth for the child of God, you must remember that its origins are different.

Now what you must understand is that Shem is already blessed. And Japheth is also blessed too and that is why he thinks he does not need God.

Poverty is a manmade thing and with everybody that is poor, there is always what I call the accompanying symptoms. I would like to share with you right now, and these symptoms are to show you that you are poor.

Genesis 45:11 (NKJV Strong's) There I will provide for you, lest you and your household, and all that you have, come to poverty; for there are still five years of famine.” ’

God does not want you to be poor

Proverbs 6:11 (NKJV Strong's) So shall your poverty come on you like a prowler,

And your need like an armed man.

The very first symptom of poverty is sleep and laziness. If you are lazy and you love sleep then chances are that you are poor.

Proverbs 10:15 (NKJV Strong's) The rich man's wealth is his strong city;

The destruction of the poor is their poverty.

The second symptom is always fighting with one another in the house, always there are arguments and disagreements.

Proverbs 11:24 (NKJV Strong's) There is one who scatters, yet increases more;

And there is one who withholds more than is right,

But it leads to poverty.

The third symptom is being stingy; always withholding things.

Proverbs 13:18 (NKJV Strong's) Poverty and shame will come to him who disdains correction,

But he who regards a rebuke will be honored.

The fourth symptom is hating to be corrected.

Proverbs 14:23 (NKJV Strong's) In all labor there is profit,

But idle chatter leads only to poverty.

The fifth symptom is being an idle chatter and talking too much about other people's business.

Proverbs 20:13. Do not love sleep, lest you come to poverty;
Open your eyes, *and* you will be satisfied with bread.

The sixth symptom is anybody who sleeps more than eight hours will be poor; because you have nothing to do.

Proverbs 21:5 (NKJV Strong's) The plans of the diligent lead surely to plenty,

But those of everyone who is hasty, surely to poverty.

The seventh symptom is being hasty.

Proverbs 23:21 (NKJV Strong's) For the drunkard and the glutton will come to poverty,

And drowsiness will clothe a man with rags.

The eighth symptom is eating and drinking too much.

Proverbs 28:19 (NKJV Strong's) He who tills his land will have plenty of bread,

But he who follows frivolity will have poverty enough!

The ninth symptom is when you are not definite about what you want to do. When you engage in worthless persuades.

Proverbs 28:22 (NKJV Strong's) A man with an evil eye hastens after riches,

And does not consider that poverty will come upon him.

The tenth symptom is lusting after riches.

These are all the symptoms that are accompanied by poverty. If you find yourself there then chances are that you are poor and if you engage in such then chances are that you will be poor. There was absolutely nothing there that said you should fast and pray then you will be rich. Wealth was never in the prayer plan. And you never see anything there in the Bible that says you should work for someone.

The Origin of Wealth and Poverty

(Part2)

God did not design wealth for the Christian but for mankind, and this is something that many Christians must understand. The fundamentals of wealth were created by God for mankind and it is the same thing with poverty. Anytime you lack in any area you are poor, the bible says that:

“There is much food in the storehouses of the poor but because of the lack of understanding they are destroyed”

The lack of understanding! And that is really the gap between those who are wealthy and those who are poor. Wealth or poverty is information based, how you work what you know and that is what we call Wisdom. The application of knowledge. Any man that does not understand how things work cannot participate in the advancement of the machinery of things because if you have understanding you are actually at an advantage. No one has the right to blame the government, family even their background. Where you are today it is because of you, there is something that is greater than environment and that is human will. Human will is the driving force of humanity because through human will you can break out of any limiting environment.

Last night I told you how poverty went from human issue to be a classified phenomenal. Now that we know, how do we then help ourselves to get involved in the economy of things? Let me show you something:

Genesis 1:26-28 (NKJV Strong's) Then God said, “Let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth.” 27 So God created man in His own image; in the image of God He created him; male and female He created them. 28 Then God blessed them, and God said to them, “Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth.”

So that was Gods’ introduction to Adam of his economic system. When we talk about an economy we are actually talking about the sum total of transactions in all the markets that contributes to the movement of any entity, and within each market there

are fundamentals. In every transaction there is always the one who buys and also goods that are sold or service that is being offered. In all the fundamentals of an economic system there are three things that must be present:

- Land.
- Capital.
- Labour.

All those are called the means of production. God said to Adam “Be productive...” God was telling mankind that as long as you are productive you will multiply, as long as you are productive you will increase and expand. Adam was supposed to do something. There was land, capital and labour. All those form the fundamentals of an economy, now because there was land automatically there was the function of wealth. Where there is land the means of production can perpetuate.

Notice that the economy of God was solely based on management; his economy was meant to be based on management. Adam was supposed to be productive in the land where God placed him. What do you think capital was here? The blessing was the capital because it allowed Adam to continue to produce.

The means of production were carried by Adam therefore he was a labourer. There was labour, land and capital so that instituted an economy. The only way this economy was going to be sustained was through management; the ability to administrate. The first ever time we hear about an economy was in Genesis so Eden was an economic hub; that is where all the transactions took place. As long as Adam participated in the economy of Eden he flourished.

So, anytime an individual does not make any contribution to the advancement of an economy, what will happen to his life is that he will be poor. Only poor people do not contribute to the economy of their society because the means of production are eliminated. God wanted Adam to be a producer. Wealth accumulation can never occur as long as an individual is part of the machinery of the economic system.

The first task of the man was to manage. This tells you about the importance of management, if you cannot manage your life everything will go wrong. Everything that you have today has been given to you so that you can manage and a good manager will always increase the overall capital of an institution. Management is the key, not only to production but also to increase. If you don't know how to manage you

cannot increase and more cannot be released to you.

Genesis 3:17 (NKJV Strong's) Then to Adam He said, “Because you have heeded the voice of your wife, and have eaten from the tree of which I commanded you, saying, ‘You shall not eat of it’:

“Cursed is the ground for your sake;

In toil you shall eat of it

All the days of your life.

What began to happen? The economy began to be disrupted, the means of production was now stopped and because of that more labour was required to produce a little. Instead of Adam being the dominator over creation, he now became the subservient and that made him to forfeit the system of God and gave an opportunity for another system to get into place (The cosmos system). Cosmos came as the result of the transgression of the man against Gods’ law.

When he violated Gods’ tax reform, he failed. There was a replacement of Gods’ system in the world and the adoption of another. The bible calls Satan “The God of this world...” so a new system was set in place: a capitalistic system. What do you think gave Satan the grounds to form that system? It was actually the curse on the ground.

There was a disruption in the economy so the capital was gone and labour power increased. Now the capital and land went to another, and Adam was only left with labour. He no longer possesses autonomy over the means of production and capital to perpetuate production. What began to happen to his wealth is that it was cut off therefore from that day onward Adam becomes a labourer.

A labourer who will always work but never get rich, who will always work but never becomes wealthy. This tells us that wealth is not in labour but on the controlling of the means of production. If there is no Capital, Labour and Land poverty is inevitable.

Verse 18 Both thorns and thistles it shall bring forth for you,

And you shall eat the herb of the field.

Even the beast that he had power over now had nothing to eat. And if you hunger an animal for too long it will turn against you, so today animals can eat man and man can eat animals because of poverty. The one who was supposed to teal the ground for the sake of the beast disobeyed God. Animals started eating other animals because there was no longer food.

Now Adam had no access to money and capital, doesn't that sound familiar? That was a curse reserved for all of humanity until Noah. When Adam messed up, all the autonomous power over the earth went to Satan and he used that to form his system. Today we have Gods' economic system and satanic system that is guised in the cosmos but the arranger is Satan. One thing we can know about the system is that at its core Satan is involved.

Every other political or governmental ideology ever since that day was always to oppress men and direct power only to a few. Now with Noah mankind had a chance to start over with the original blessing because after that there was no man left on the earth anymore; it was Noah and his 7 family members. There was an opportunity for God to reinstitute his economic system.

Genesis 9:1 (NKJV Strong's) So God blessed Noah and his sons,

So Ham, Sham and Japheth were blessed by God with the same blessing that fall on Adam. Here we are talking races.

Genesis 9:1 (NKJV Strong's) So God blessed Noah and his sons, and said to them: "Be fruitful and multiply, and fill the earth.

Can you see that we have the economy again? We have the means of production, capital and labour.

Genesis 9:2 (NKJV Strong's) And the fear of you and the dread of you shall be on every beast of the earth, on every bird of the air, on all that move on the earth, and on all the fish of the sea. They are given into your hand.

Animals and beast stopped fearing man. Now God is reinstituting the fear into those animals, can you see that you are not supposed to fear any animal?

Genesis 9:3-4 (NKJV Strong's) Every moving thing that lives shall be food for you. I have given you all things, even as the green herbs. 4 But you shall not eat flesh with its life, that is, its blood.

Now God is saying that man can eat anything because something had changed in the DNA of man.

Genesis 9:5 (NKJV Strong's) Surely for your lifeblood I will demand a reckoning; from the hand of every beast I will require it, and from the hand of man. From the hand of every man's brother I will require the life of man.

That is my prayer always “God keep my hands clean of the blood of men” To kill a person is a very difficult thing.

Verse 6 “Whoever sheds man's blood,

By man his blood shall be shed;

For in the image of God

He made man.

The bible tells you that we should obey the laws of the land because they are instituted to help mankind. Obey the laws of the land because if you violate them is to your own expense. You need to study to learn how to drive but there is no textbook for marriage, you just go to the home affairs and they give you a licence. Here is the truth: There is no marriage that will work based on love. Just because you love driving that doesn't mean that you are roadworthy to drive.

This is the reason why there is such a high rate of divorce because people marry based on love. The success of any marriage is never based on love but the knowledge and the acting upon of the knowledge of marriage. Why are you marrying if you do not know what marriage is? Our government care more about the car you drive than your contribution to society because the most important institution in society is family. Now both of you are going to start a family based on ignorance; love is not knowledge.

Did Jesus not love everybody? But He didn't heal everybody. Why even though He loved everybody He didn't heal all of them? His love was based on knowledge;

specialised knowledge. Today marriages fail because they are not based on knowledge; they don't understand the role of each person.

Back in the days there were man and woman who were married together, sometimes they didn't even know each other and they got married more than people who love each other. They stayed longer in the relationship more than those who love each other because they understood what marriage was. The feeling of love ends! If you want a successful marriage you must study what marriage is, you must know your role as a husband and the wife must also know her role.

Genesis 9:7-8 (NKJV Strong's) And as for you, be fruitful and multiply;

Bring forth abundantly in the earth

And multiply in it.”

8 Then God spoke to Noah and to his sons with him, saying:

So, God went back and established the covenant with Noah and his sons, and Noah messed it up and brought back the curse.

Genesis 9:18-23 (NKJV Strong's) Now the sons of Noah who went out of the ark were Shem, Ham, and Japheth. And Ham was the father of Canaan. 19 These three were the sons of Noah, and from these the whole earth was populated.

20 And Noah began to be a farmer, and he planted a vineyard. 21 Then he drank of the wine and was drunk, and became uncovered in his tent. 22 And Ham, the father of Canaan, saw the nakedness of his father, and told his two brothers outside. 23 But Shem and Japheth took a garment, laid it on both their shoulders, and went backward and covered the nakedness of their father. Their faces were turned away, and they did not see their father's nakedness.

If you are not careful you will suffer because of the failures of your fathers.

Genesis 9:24-25 (NKJV Strong's) So Noah awoke from his wine, and knew what his younger son had done to him. 25 Then he said:

“Cursed be Canaan;

A servant of servants

He shall be to his brethren.”

Noah curses Ham and what begins to happen in the economy Ham becomes the labour force in the system that is to come. And Sham and Japheth were going to have the means of production. The slave was going to perpetuate the economy but not to his benefit rather to the benefit of those who control the mean of production and the capital. The next day I will explain to you how as a Christian you can live above the system.

Genesis 10:1-3 (NKJV Strong's) Now this is the genealogy of the sons of Noah: Shem, Ham, and Japheth. And sons were born to them after the flood. 2 The sons of Japheth were Gomer, Magog, Madai, Javan, Tubal, Meshech, and Tiras. 3 The sons of Gomer were Ashkenaz, Riphath, and Togarmah.

Genesis 10:6 (NKJV Strong's) The sons of Ham were Cush, Mizraim, Put, and Canaan.

Those were the sons of Ham! Do you know what Cush means? It means Black. The curse did something even to the skin of the genealogy of Ham. Why are poor people dark? Is God dark? This is where things began to change. When Cush, Put and Mazraim began to populate Africa the curse followed them; and it settled in Africa. Now the descendants of Ham began to be the labour force of Shem and Japheth.

I told you that the economy is the sum-total of all the transections in all the markets that constitute an economy. And the most fundamental thing in an economy is money. What is money? Money is an asset that does not lose value; it carries value in and of itself and it doesn't not need any external factor to place value on it. Secondly money is buying power; value with purchasing power. Currency is the means of exchange whose value is based on demand and supply.

Current doesn't really have value! It may have price but it doesn't have value. Money is value based whilst currency is price based. The overall system of this cosmos is capitalism. The means of production that result in capital accumulation goes to those who control the means of production and not the labourer. The root of

capitalism is designed to make the poor poorer and the rich richer because it is a competitive based system. Within every market there is what we call a Market Pull. In a market pull there is all the producing power in that market. The capitalistic system says:

“The one who pulls the market to himself keeps the money”

With the capital system the revenue that is made of the production does not go to the government but those who control the means of production. It's a system that is designed to make the poor poorer and the rich richer; and the system is based on how disruptive you can be to a market based on what you can produce. In a capital system you can never become rich by working for someone, the only thing that can assure success and prosperity in a capitalistic market is production power.

What can you produce! What we have done is that we have raised our children to go to school so that they can work but what we have been doing is that we have been training them to become poor. We have people with degrees who are very poor; decorated poor people who are working for people who never went to school because it's a system.

This system is not education based but productive based. What Satan does is that he creates an education system through which everybody on earth must go through, and majority of those people become the machinery of the capitalist economy. You are the machinery that runs the economy but the poorest of them all because you have not yet understood. What you don't know is what will destroy you; the lack of knowledge is the distraction of humanity.

They will never teach you this in school this is the reason wealth is only moved to a collective few because the masses are impoverished of knowledge. Wealth and riches are information based and not workability based; it doesn't matter how well you can work.

Where does money come from? True money is natural (Gold, Silver, Land, Platinum etc.) because that has more purchasing power than currency. When we talk about true money we are talking about natural based resources.

When I talk about the origins of money I'm talking about currency (I use currency to give you understanding of what I want to teach you). Where does currency come from? We said that what necessitates an economy is Land, Labour and Capital. In any

nation we have two centralised powers: A centralised government and centralised bank. The Government responsibility is to control the fiscal policy and to administrate the laws that will govern the people, and to have the over sight of the economy of the nation.

The only reason that justify the existence of a central bank is its ability to produce money, but long time ago money was produced by the Government. Every Government produced its own money based on the valuation of gold that it had, the power of any nation was defined by the amount of gold it had.

The measurement of all money was gold and crops. What began to happen was that when countries began to go to war the reserve in gold began to deplete. The rulers of that time though that ‘We must mix this gold’ They took the pure gold and mixed it with other impure elements, and they produced what we know today as currency. They began to produce more and more until their gold became valueless, and when that happened those countries went into slavery.

This is a system that has been perpetuated generationally, what began to happen was that those who controlled the means of production thought ‘We must find a way to collect all this money back to ourselves’ Because they were already in government, they began to establish central banks that will facilitate the fiscal policies of money. Now in every nation there is what we call the Central Bank and Central Government.

Now when the Government needs money it doesn’t go to its own reserve but to the central bank. The central bank is now an independent institution of the Government. The idea of a banking system was originated by a man called Albert Rothschild, now because many nations were going into debts he began to borrow money to governments. What the universal principle of borrowing? The lender shall be slave to the borrower, so when that happened the Government became enslaved to the banking system.

In every nation today, we have a banking system and the Government. The Government carries out its basic needs through taxation, the Government collect Tax yearly from the people and from that Tax it forms a budget to facilitate the basic needs of society. Many times, the revenue that comes from the tax is not enough so the Government goes to the Central Bank through the Treasury. The Central Bank then require a “Promissory Note/Bill” So if they required a R1 Trillion from the Central Bank, the Treasury will therefore receive a R1 Trillion Bill. That is a written Bill

promising to pay.

The Central Bank gives that Promissory Note to the Treasury. The Government doesn't have that R1 Trillion in the first place. When I write a cheque: I am cashing that cheque against the deposit that is in the account. Now the Government is giving the Treasury a cheque that has nothing backing it. The treasury will therefore take the Bill and give it to the Central Bank, now because it is signed by the Government that Bill gives the Central Bank the right to create R1 Trillion Paper Notes.

They create the paper Notes and give them to the Treasury but it is regarded as a loan. What happened is that a transaction was made based on credit because the Government didn't have enough money to carry out its purposes so it needed a credit so the bank agrees to give them. They give them the R1 Trillion which is the principle and they require an interest from that amount.

Now the Government has R1 Trillion which is a credit. What is credit? It is debt. We have money that exist because of debt. Within that there is what we call "The fractional reserve fund" of that R1 Trillion the Bank has a right to produce 90% of that R1 Trillion for themselves. When the government needs money, the same process goes on and on but the money that they are producing has no value.

The value that the money has is what we know as "Fiat currency" the value of this money is based on declaration. What happens to the money that is already there as they print? That money loses value because there is more money produced than the demand of it. This is known as inflation; the oversupply of currency. It is when you have money but it cannot buy more because its purchasing power is diminished when more money is being supplied.

Credit is essential to the advancement of any society because the money that is in circulation is far less than the demand of the people. The economy is driven by spending; the more people spend the higher the economy goes. There more credit there is the more credit they can produce and the richer they can become. This is what is running the global money system; and this is fraud.

If you can make copies of paper notes in colour and use them, they call it fraud but this what the Government and the bank is doing every day and they call it Fiscal policy. This whole thing is based on debt, if every human being on earth would pay off their debt there will be no more production of money.

The National debt of South Africa is 40% of its GDP. The GDP of South Africa is roughly R4 Trillion in 2016 and the National Debt is about R1.6 Trillion, what does that tell you about the economy of South Africa? It is not growing and if an economy is not growing more people will lose their jobs and more people will become poorer. Is there a way to hack the system? The truth is that you are being played.

Imagine only two people own as much as 50% of the wealth of South Africa. And eight people own 45% of the wealth of the whole world. This is all happening because the education that you have is centralised around making you a machine. What is happening now is that we are entering the 4th industrialised age: The age of artificial intelligent. This machine called a human its work will be obsolete because industries are moving to automation which is much cheaper.

There are atomised trucks which transport goods of great value without anyone driving. You will be replaced because the 4th industrialised age is right here. Pick n pay in USA there are no cashiers; only two people in the store: the manager and securities. The cashiers were unwilling to learn so a technological system was put in place, we live in the information age. Information is everywhere for free, you don't need school to be educated.

The blessing of God has not been working in your life because you have not been productive, by now if you are not looking for different streams of money you will be in trouble. The devastation in the world is also an opportunity for you, this is the reason why I'm teaching you this. I want your mind to be open and start getting involved in the means of production.

If the paper notes that we have is not the real money that means it is dangerous to hold on to it; it is dangerous to have your wealth in it. The problem is that we don't know. What people don't know is what kills them, and what we are seeing is the rich getting richer and the poor are getting poorer. What it is that the rich that know which you do not know? It is time to wake up otherwise you will go dry and suffer.

Change has come! Do you believe that? The word of God can help you. We are at the final strike of the rely and God has determined that there would be the greatest wealth transference in all human history. Remember the first wealth transfer was from Adam to Satan but this last one will be from Satan to Gods' people. We must have the Wisdom to see the opportunities. Gods' people must be awakened because there are true riches that must be attained but there is a way that they will come. As we seek the

advancement of the Kingdom of God we must understand that the Kingdom of God is on the earth.

How To Function In Gods' Financial System

(Part 1)

Poverty is sin, you are sinning when you are poor. We owe it to ourselves to be very successful, we owe it to ourselves and our world to be prosperous. When you are poor you are useless, when you are unable to supply you become useless. The bible tells us that God wants us all useful for His Kingdom and purpose therefore it is your duty to become rich. You owe it to your generation to become rich. Only wealthy people can become helpers of men. If I'm poor, I'm sinning because that means I'm not utilising the blessing that God gave mankind.

If I'm poor that means the blessing is not working; I'm not working the blessing. It is a blessing to be able to produce and be productive. We call women that are unable to give children "Barren" and therefore unfit to become mothers because you are only a mother when you are able to bear children. You should not be barren in your life, in the same way that it is wrong for a woman to be barren; it is wrong for you to be poor because if a woman is not bearing children that means she is not fulfilling her assignment.

It is also not natural for a human to be unproductive, every time you are unproductive in your life you must know that you are working an unnatural law because your own is to be always productive. You can't do much when you are poor. You can't give your children the education they deserve even the life they deserve. I don't think there is a parent who had a desire for her children to grow up where she grew up but today we grow up where our parents grow up. What happened? They were unable to grow and because of that we carried on their legacy. You must hate poverty! You must not hate it to the place of complacency but to a point that it moves you to act against it.

Don't be poor because you have the blessing on you. The bible says that you were called to inherit a blessing. You were called to inherit that thing that does not allow any sorrow even curse because if you are blessed you cannot be cursed. Hate poverty because when you hate it, you will automatically begin to love Wisdom.

1 Timothy 6:6 (NKJV Strong's) Now godliness with contentment is great gain.

Contentment is a perfect condition in which no aid or help is required. In reality very few of us are content because the very idea of contentment is self-sufficiency. Here it is different from what Paul said in Hebrews chapter 13. The contentment of Hebrews Chapter 13 has to do with what you already have but what he is talking about here is the contentment of full sufficiency because what you already have may not be enough. You may have but that might not be enough so that is not the word that he is using for here. He is talking about godliness and all sufficiency. God wants us content with the things that we have but he also wants us content. Let me show it to you:

Hebrews 13:5-6 (NKJV Strong's) Let your conduct be without covetousness; be content with such things as you have. For He Himself has said, "I will never leave you nor forsake you." 6 So we may boldly say:

"The Lord is my helper;

I will not fear.

What can man do to me?"

Can you see that? You don't need to worry yourself with the things that you don't have because He knows.

1 Timothy 6:6-7 (NKJV Strong's) Now godliness with contentment is great gain. 7 For we brought nothing into this world, and it is certain we can carry nothing out.

So everything that is in the world today you did not come with it, all that you came with was what God has already invested in your Spirit and the only thing that you will leave this world with is Character. It is the only thing that you came without but you will leave with.

Verse 8 And having food and clothing, with these we shall be content. 9 But those who desire to be rich fall into temptation and a snare, and into many foolish and harmful lusts which drown men in destruction and perdition.

Those who desire to be rich. Doesn't that sound contradictory because the bible says that it is in Gods' hand to make rich? What is he saying to us? He is telling us that we should not desire riches, because that is the first principle to entering Gods'

financial system. Do not use your desires to go after riches. Notice that in Genesis the riches were already there but all that God told the man is that he should be productive. He is telling us not to desire to be rich because it is already there.

Verse 10 For the love of money is a root of all kinds of evil, for which some have strayed from the faith in their greediness, and pierced themselves through with many sorrows.

The first thing is that you must be circumcised of any desire to be rich. If you are going to handle God's true riches your love for money must be circumcised; there must be no inch in your heart that is after money because the love of money is the root of all kind of evil. Every evil in the world steam from the love of money. The love of money produce the love for power and the bible says that the greatest among you must be servant of all. Do you know the mentality that God wants to expose to you? That there is a way to get rich without desiring to be rich. There is a way to be rich without loving riches and money.

The problem is that the main concern of many people is money: Marriage crumble because of money, business crumble because of money even relationships. Why should you be angry at your spouse because of money? What is in money that makes people fight? Something as meaningless as money can make people to kill. It is the love of money! This is the reason you are fighting.

You are not different from a robber if you fight with your spouse because of money. Money in of itself have no problem, you give money life and character. A million rand in a hand of a murderer will produce more murders but the same million rand in the hand of a good person will produce good things. It is the same million rand but you give it life and character.

If you want peace in your life don't love money. To access God's financial system you must be circumcised of the love of money because God will never give you something that will destroy you. Faith finance doesn't work in your life become you love money, if money controls your emotions and way of thinking then why should God give you? If you are not satisfied with what you already possess that means you lust after money.

When you twist and turn in the night because of money, you are very greedy so God can't talk about you concerning wealth because you are greedy. Do prostitute

love what they are doing? Many times if you can ask them, they don't love what they are doing but they are doing it because they love money. It is not the need of money but the love of it and because your love for money far outweigh your love for Wisdom, your mind to Wisdom becomes closed up.

Bitter people cannot be rich because riches are as the result of the creativity of your mind that result in productiveness and that kicks into motion the blessing of God. You don't need to have it to love it and in most instant those who love it don't have it. You are greedy when you are moved by the lack of money, who told you that what you have is not enough?

The value of your life is not in what you possess but the enlargement of your heart. You don't have because your heart is closed. Let me show you something: Soccer players in Europe earn maybe a hundred times soccer players in South Africa, what is the difference? In Africa they play for money and in Europe they play for love. They love football, their passion for the Sport propels them to high levels of productivity.

In Africa they can't perform at a Europe League level because they are playing for money, you can never beat somebody who plays for love. You can never out earn them because they will always do more than you. The reason is because the motivation is different and this is what I'm trying to show you. What you don't realise it that your love for money causes all sorrows and complications in your life that cause you not to have that money so you can't increase because you are full of worry and stress. And the more stressed you are the more unable you are to produce.

Proverbs 8:1-6 (NKJV Strong's) Does not wisdom cry out, And understanding lift up her voice?

2 She takes her stand on the top of the high hill,

Beside the way, where the paths meet.

3 She cries out by the gates, at the entry of the city,

At the entrance of the doors:

4 “To you, O men, I call,

And my voice is to the sons of men.

5 O you simple ones, understand prudence,

And you fools, be of an understanding heart.

6 Listen, for I will speak of excellent things,

And from the opening of my lips will come right things;

When your mind is fixated on your lack for money you cannot hear the excellent things that Wisdom speaks. You cannot be creative because all this mental diseases are afflicting your soul, and where do they come from? The love of money. You have to circumcise your heart from the love of money, if you would stop loving money you will always have it. The reason you don't have as much as you need is because you love it, and the love of money leads to poverty. God doesn't want your life based on riches because if you would love them you will also lose yourself.

Proverbs 8:7-11 (NKJV Strong's) For my mouth will speak truth;

Wickedness is an abomination to my lips.

8 All the words of my mouth are with righteousness;

Nothing crooked or perverse is in them.

9 They are all plain to him who understands,

And right to those who find knowledge.

10 Receive my instruction, and not silver,

And knowledge rather than choice gold;

11 For wisdom is better than rubies,

And all the things one may desire cannot be compared with her.

What do you desire? The bible says what you desire cannot be compared to Wisdom.

Proverbs 8:12-15 (NKJV Strong's) "I, wisdom, dwell with prudence,

And find out knowledge and discretion.

13 The fear of the Lord is to hate evil;

Pride and arrogance and the evil way

And the perverse mouth I hate.

14 Counsel is mine, and sound wisdom;

I am understanding, I have strength.

15 By me kings reign,

And rulers decree justice.

There is no way you can seek Wisdom and not find it, you don't have it because you haven't searched it.

Proverbs 8:18-21 (NKJV Strong's) Riches and honor are with me,

Enduring riches and righteousness.

19 My fruit is better than gold, yes, than fine gold,

And my revenue than choice silver.

20 I traverse the way of righteousness,

In the midst of the paths of justice,

21 That I may cause those who love me to inherit wealth,

That I may fill their treasuries.

That is the talk of Wisdom. True wealth is not worked for but inherited. The children of Israel: all along they were suffering under the hand of oppression of Pharaoh, now it came a time for God to deliver them out of Egypt. God said to them, “Go knock on the doors of your masters and ask them for Gold”

Now they were going to the wilderness. The place where this people were going required not gold because there was already gold in that land. Did they ask God to give them the gold? They never asked God, but he decided that they will go out with gold. What were they going to use the gold for because there was nothing to buy in the wilderness? The reason for the gold was not for themselves but to worship God.

The reason why God wants you to work and become producers so that you may have and sponsor his course. The gold that God gave the children of Israel was for His service. Wealth serve the purpose of God so if I’m going to be prosperous the only reason is to serve God, so the wealth and riches are a means to an end. When you are poor and without you cannot participate in the building of Gods’ temple so God is looking for people to bless abundantly because He has a course. God will never work with anyone who is poor and anyone who chooses to remain poor because they cannot serve His plan.

You must desire Wisdom rather than being wealthy. God is looking for wise man; those with administrative capabilities. In the bible there was a man called Eliza: He was the chief servant in Abrahams’ household. Eliezer was in charge of all the household of Abraham and interestingly the name “Eliezer” means God my helper. He was the administrator of the wealth of Abraham. When Jesus spoke about the Holy Spirit what did He say? What does that tell you about the Holy Spirit? He is the administrator of the wealth of the Kingdom. If He is administering the wealth of the

Kingdom that means He is looking for administrators (Stewards) because there is a mission to be fulfilled.

Deuteronomy 8:18 (NKJV Strong's) “And you shall remember the Lord your God, for it is He who gives you power to get wealth, that He may establish His covenant which He swore to your fathers, as it is this day.

So wealth is part of Gods’ plan. Don’t tell me that you are satisfied with average because God is not average! God is interested in giving you the ability to get wealth. Wealth is beyond having more than enough, when we talk about wealth we mean that you are a source. Wealth is as important to God as the anointing upon his ministers. God has a mandate and His mandate is to spread His Gospel throughout the whole world. How can you go to Japan without flying there? How can you fly if you don’t have the ticket fee? You are limited in the spread of the Gospel without money and God knows that. He knows that the economy of this world function by money, and today Satan is using the lack of money in the Church to stop advancement of the Kingdom of God. Now you will understand Matthew Chapter 6.

But seek first the kingdom of God and His righteousness, and all these things shall be added to you. (Matthew 6:33)

He didn’t say seek the Kingdom by praying. He is talking about the advancement of the Kingdom of God because that is what wealth is for. With your money you must seek first the Kingdom of God that means every time you have money your mind must be to the Kingdom of God. Do you want to get out of poverty? That is the only way “Seek first the Kingdom of God...” (Matthew 6:33). That means let you mind be covenant based and God will see it that you do not hunger. There is no telling what God can do with your life if you can be plugged in to His plans. If you are not concerned about His covenant you must forget wealth in Gods’ Kingdom. Listen: you can’t sponsor God, you are too small for that and never ever think that you can out give God.

Jesus needs vessels and one of the best ways God can get wealth into your hands is through the vessel of business because it is a channel through which God can populate wealth into your life. The whole world operate upon the wings of multi-operational business. Satan cannot do anything new, he is copying so the government that we see today is a copycat of the real. This is the reason God told Adam to be productive.

Does not Jesus represent all humanity? Did He ever work for someone? He was a business man, and you wonder why God uses businessman more than anybody. The bible says that God delight in the prosperity of His servants; those who favour his righteous course. After this conference you must decide how you are going to elevate your life, how you are going to get Gods' channel of blessing operating in your life. You have to look beyond!

God is looking to give wealth to people who are concern about His work. The problem is that you have been too relaxed and thinking that God from somewhere will bring money on top of you. God is not miracle orientated; He does not want to give you miracles.

How many times did Jesus do the miracle of multiplying bread? He only did it twice. He didn't do it more because that is not His design, in the same way that Gods' plan is not healing but health. He heals you so that you may walk in health and when you walk in health you do not need healing anymore. God can't release more because we are not concern about His Kingdom. God is looking for partners.

I told you that the Kingdom of God expands through preaching, praying and though finances. The preaching and praying are already covered, why do we have so many Churches in Mamelodi yet they are empty? Since you were a Christian, how much have you given to the Gospel of Jesus Christ? How much of your time and how much of your money have you given to the Gospel of Jesus Christ?

Do you know that sometimes your giving can be your curse?

2 Corinthians 9:6 (NKJV Strong's) But this I say: He who sows sparingly will also reap sparingly, and he who sows bountifully will also reap bountifully.

This is a principle! If you put one seed in a huge fertile land, do you think you will get a forest? This is what many of your think when you give to God.

2 Corinthians 9:6 (NKJV Strong's) But this I say: He who sows sparingly will also reap sparingly, and he who sows bountifully will also reap bountifully.

Listen: Money in your hand is only seed.

2 Corinthians 9:7-8 (NKJV Strong's) So let each one give as he purposes in his heart, not grudgingly or of necessity; for God loves a cheerful giver. 8 And God

is able to make all grace abound toward you, that you, always having all sufficiency in all things, may have an abundance for every good work.

Why is God not bringing that grace to you? It is because you're not a giver. Your money is yours and not Gods' therefore that is the problem. It was only when the bread was in the hands of Jesus that He could multiply it, it was only when the rod left Moses hands that it became Gods' rod and it was only when the woman fad the Prophet of God that she never lacked. God is saying "There is grace available for you"

If your business is registered with Heaven it can never lack, if you have a job that is registered with Heaven you can never lack so many of you have jobs and business that are not registered with Heaven. Those who will never lack in the house of God are those who are committed to His righteous course.

2 Corinthians 9:8-9 (NKJV Strong's) And God is able to make all grace abound toward you, that you, always having all sufficiency in all things, may have an abundance for every good work. 9 As it is written:

"He has dispersed abroad,

He has given to the poor;

His righteousness endures forever."

Did he mention anything about prayer? Kingdom finance has nothing to do with praying. There are things in the Kingdom that have a lot to do with praying but Kingdom finance has nothing to do with praying. Kingdom finance has more to do with the circumcision of your heart. The money is in the system, just like the gold was in the house of the Egyptians and not with the Jews. A Kingdom financier never has to worry about money.

Luke 16:1-4 (NKJV Strong's) He also said to His disciples: "There was a certain rich man who had a steward, and an accusation was brought to him that this man was wasting his goods. 2 So he called him and said to him, 'What is this I hear about you? Give an account of your stewardship, for you can no longer be steward.' 3 "Then the steward said within himself, 'What shall I do? For my master is taking the stewardship away from me. I cannot dig; I am ashamed to beg. 4 I have resolved what to do, that when I am put out of the stewardship,

they may receive me into their houses.’

Notice that it is Jesus who is telling the story.

Verse 5 “So he called every one of his master's debtors to him, and said to the first, ‘How much do you owe my master?’ 6 And he said, ‘A hundred measures of oil.’ So he said to him, ‘Take your bill, and sit down quickly and write fifty.’

What is this man doing? He is making friends because only he knows what they owe his master. He is doing this to the debtor because he knows that they will owe him favour.

Verse 7 Then he said to another, ‘And how much do you owe?’ So he said, ‘A hundred measures of wheat.’ And he said to him, ‘Take your bill, and write eighty.’

What he did was that he cut down their debts in his interest, not his master’s interest. So as many as the debtors of his master were that means he was settled for life.

Verse 8 So the master commended the unjust steward because he had dealt shrewdly. For the sons of this world are more shrewd in their generation than the sons of light.

Jesus is saying that the world is wiser than the sons of the Kingdom. He is admitting that the world is wiser in their generation than his own children.

Verse 9 “And I say to you, make friends for yourselves by unrighteous mammon, that when you fail, they may receive you into an everlasting home.

How is that possible? He is saying do what the unjust steward did. Unrighteous means that which has traversed the law. He is saying that you should make friends with wicked money; lawless money. Jesus is giving His children the right to play the system. Why did He say that? Because He said that “The sons of this world are wiser in their generation than the sons of the Kingdom.” I told you that this system is fraudulent, wicked and unlawful but Jesus is saying use that money. Let me ask you a question:

If the system is wicked, fraudulent, unlawful and lawless why are we partaking of it? If you are saying you will not partake of the system, what will happen to you? Don't wear their cloths and don't even drive their cars because those things are made by the system.

Jesus is saying use wicked money; play and cheat and conquer the system. Everywhere in the system where money can be made be there. Why are you not in the JSE, because that's where money is? In Africa we pray a lot but we have little.

Luke 16:10-11 (NKJV Strong's) He who is faithful in what is least is faithful also in much; and he who is unjust in what is least is unjust also in much. 11 Therefore if you have not been faithful in the unrighteous mammon, who will commit to your trust the true riches?

The way to true riches is through the unrighteous mammon. Why would Jesus say something like this? Let me give you the synonyms of this: Money of injustice. Wrong money. Immoral money. That which violate law and injustice. Play the money game. You are broke because you don't have friend.

Luke 16:9 (NKJV Strong's) "And I say to you, make friends for yourselves by unrighteous mammon, that when you fail, they may receive you into an everlasting home.

After the conference you must begin to think what you will be doing. Do you want God to take you serious? You must begin to favour His righteous course. The Spirit of God impressed something in my Spirit because I always wonder what the Lord said, "To preach the Gospel to the poor" Why didn't He says to the rich? Then the Lord said "How did poverty come? In the same way that poverty came that is the same way that it will be destroyed"

Words are the cause of poverty therefore words are the killer of poverty. What we are giving you are anointed words that are going to the depts of the poverty mentality, and uproot it because until the mind set of poverty is removed from you the blessing cannot work. To be poor means that you are not walking in the blessing. This conference has been designed specifically to deal with poverty, this is what we have been dealing with from the last two days. It is the Spirit of poverty and after this conference that spirit will never work in this Church. Watch what will begin to happen

even in your own lives.

How To Function In Gods' Financial System

(Part2)

2 Samuel 6:1-11 (NKJV Strong's) Again David gathered all the choice men of Israel, thirty thousand. 2 And David arose and went with all the people who were with him from Baale Judah to bring up from there the ark of God, whose name is called by the Name, the Lord of Hosts, who dwells between the cherubim. 3 So they set the ark of God on a new cart, and brought it out of the house of Abinadab, which was on the hill; and Uzzah and Ahio, the sons of Abinadab, drove the new cart. 4 And they brought it out of the house of Abinadab, which was on the hill, accompanying the ark of God; and Ahio went before the ark. 5 Then David and all the house of Israel played music before the Lord on all kinds of instruments of fir wood, on harps, on stringed instruments, on tambourines, on sistrums, and on cymbals. 6 And when they came to Nachon's threshing floor, Uzzah put out his hand to the ark of God and took hold of it, for the oxen stumbled. 7 Then the anger of the Lord was aroused against Uzzah, and God struck him there for his error; and he died there by the ark of God. 8 And David became angry because of the Lord's outbreak against Uzzah; and he called the name of the place Perez Uzzah to this day.

9 David was afraid of the Lord that day; and he said, "How can the ark of the Lord come to me?" 10 So David would not move the ark of the Lord with him into the City of David; but David took it aside into the house of Obed-Edom the Gittite. 11 The ark of the Lord remained in the house of Obed-Edom the Gittite three months. And the Lord blessed Obed-Edom and all his household.

David was then anointed king over Israel and he thought that he should bring back the Ark of the Covenant and he prepared fine men to go and bring back the Ark of the Covenant of the Lord. He went and on the way of them bringing the Ark of the Covenant back. The Ark was pulled by oxen on a carriage cart and it happened that the oxen fell into a ditch and the Ark almost fell and the man by the name of Uzzah tried to stop it from falling and the bible says that the anger of the Lord was Kindled against Uzzah and the Lord struck the man and he died there by the Ark of the Lord. So, King David became angry with the Lord and he said to the Men do not move the Ark of the Covenant into the city. The bible says that:

“And David was afraid to move the Ark of the Covenant into the city with him.”

The Ark of the Covenant was the representation of the Shekinah glory of the Lord and the presence of the Lord with His people, it was a symbol that God was with His people. The king said no we can't bring the Ark of the Covenant into the city with us. The bible says that:

“Then David laid aside the Ark of the Covenant of the Lord into the House of man named Obed-edom the Gittite for three months and the Lord blessed Obed-edom and all his household.”

It is strange what God did on the other hand he killed a man who tried to handle the Ark of the Covenant and on the other he blessed a man whom the Ark was in his house, we call that the Obed-edom Effect. This shows us what the presence of the Lord can do in your life.

One day there were quarrels among the children of Israel on who must be leader amongst God's people, then God called Moses and said to him call all the elders of each tribe and let them come with a rod with their names inscribed on it and you shall put it inside the Ark of the covenant and tomorrow all Israel shall know whom I have chosen to lead. The bible says that when the following day came the rod of Aron had budded and was full of leaves and flowers.

A died stick became alive when it was placed in the presence of the Lord, died things come alive in the presence of God. The bible says it blossomed and that was a symbol that God had chosen Aron to be leader, there is a mark of God's presence on every one of His children's life and that presence produces something marvellous and sadly enough many of them don't know it, most of them do not know how to walk in it that it may produce fruitfulness in their lives.

Matthew 28:20 (NKJV Strong's) teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age.”
Amen.

He says that “I am with you always till the ends of the age” He didn't say that I shall be with you she said I am with you. If the Lord Jesus would have said “I shall be with you...” that would make it a promise but it's not a promise, it is a present thing. So this means that He is ever present with us, we don't need to feel Him. What life

would we live if we lived with the consciousness that the Lord Jesus Christ is with us always and His presence is not passive but active. You would not have any sense of defeat or lose in your life knowing that His presence is always with us. He being with you suggests that the spirit of dominion_ The spirit of the Lord is with you. God send Moses to Pharaoh: The man had more forces and power yet Moses went to him more than eleven times. Why didn't Pharaoh order his army to kill Moses?

What was stopping him from saying that? It is called the spirit of the Lord. Moses said to the Lord "If you don't go with us we are not moving" And the Lord said to him "I shall send my angel before you" And he is saying to you "I am with you till the end of the age." Where can defeat be? Everywhere you go whether be to school, work or anywhere you face challenges_ you say "Lord I know you are with me" What a life you would live.

Many people allude the presence of God to their feelings, so when they feel then they know that He is with them but that's a wrong notion. He said to Joshua "No man shall be able to stand against you all the days of your life as I was with Moses my servant so shall I be with you" And he also said to Jacob "I will not leave you until I have accomplished that which I promised you"

Ephesians 1:3 (NKJV Strong's) Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with every spiritual blessing in the heavenly places in Christ,

We are all blessed man and woman of God, but the word of God does not work until you know it and do it. Jesus goes to the man in the pool of Bethesda in the book of John 5. The bible says that Jesus knew how long the man has been in that condition and the man needed not to tell Him any extra information. He knew everything and Jesus gets to that man and asks if he what's to be made well. The man starts complaining but Jesus said to the man "Take up your bed and walk" What was needed of the man was respond to the word that the Lord Jesus said. So did Jesus pray for him? No, there only thing that the man needed to do was to respond to the word that Jesus gave.

The bible makes no reference that the man felt something. The man didn't feel anything, the only thing the man needed to do was to respond to the word. This is where many of God's people fail in their lives in responding to the word of God and

they fail in inheriting the blessing of God because they are waiting for something to happen. The point of your miracle or the bridge is your response to the word of God.

The bible says that the man took his bed and walked. All that he did was to respond to the word of healing that was given to him and that is insight into how the word of God works. Respond to the word not in a passive manner but in a proactive manner, what if when Jesus said to the man “Take up your bed and walk” The man said I will do it later, would the word of healing that was given him at that time work for him later if he responded later? No, it wouldn’t work for him.

People say that God knows that I have been suffering for a long time, why has he not changed my circumstance? God needs to do nothing more apart from what he has already done. He said: “Sit at my right hand side until I make your enemies your footstool”

Jesus made a parable and said that:

“When an unclean spirit goes out of a man, he goes through dry places, seeking rest, and finds none. 44 Then he says, ‘I will return to my house from which I came.’ And when he comes, he finds it empty, swept, and put in order. 45 Then he goes and takes with him seven other spirits more wicked than himself, and they enter and dwell there; and the last state of that man is worse than the first. So shall it also be with this wicked generation.” Matthew 12:43-45 (NKJV Strong's)

What had happened is that the demon went out but the man did not take the necessary steps to ensure that the demon does not come back. Why is that so? Because we do not respond to the word of God and we do not fill our lives with the Word of God. So when the demon comes back to occupy the house again things go hay wire and the person worsens.

Ephesians 1:3 (NKJV Strong's) Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with every spiritual blessing in the heavenly places in Christ,

I am a blessed man! It is the word of God that gives the boldness to say what we say because the Word gives you language. So we are blessed with every spiritual blessing in the heavenly places so wealth is a spiritual a blessing, prosperity, health, and wisdom. The bible says that we are already blessed with

wealth and prosperity in Christ Jesus. Why are many of God's people not walking in the blessing of God? One is lack of knowledge and secondly even though they know they don't act on the word.

Acts 14:9-10 (NKJV Strong's) This man heard Paul speaking. Paul, observing him intently and seeing that he had faith to be healed, 10 said with a loud voice, "Stand up straight on your feet!" And he leaped and walked.

So, Paul said to him raise up and walk and the man stood and walked. Even so the man had faith to be healed but it didn't change his circumstance, why? Because he needed to work his faith. People say 'I have faith that God wants me to be blessed' But why are you still broke? Because your faith does not hold within it corresponding actions. How does this thing work? Are you blessed by God? Yes, just because you are not experiencing the blessing doesn't mean that you are not blessed by God. Why are many of God's people not appropriating the blessing of God? Is not health a spiritual blessing?

Why many of God's people not healthy? Because their faith is more on medicine than on the word of God, your faith in medicine diminish your faith in the word of God because you can't see and feel it you think it's not medicine. You forfeit the blessing of God. The bible says that: "Cursed is the men who trusts in the arm of flesh."

All your life is attached to where you work and the day they say it is over for that month you become something else, if your life is attached to your job you're cursed and you don't see it because you trust in the arm of flesh

Acts 19:20 (NKJV Strong's) So the word of the Lord grew mightily and prevailed.

Is the word of God prevailing in your life? The prevailing of the word does not come before the growing within you! Is the word of in you growing and intensifying and gaining momentum? If Gods word for health and life does not grow in your life then the word of God for health and life in your life will not work and prevail.

Acts 20:32 (NKJV Strong's) "So now, brethren, I commend you to God and to the word of His grace, which is able to build you up and give you an

inheritance among all those who are sanctified.

Observe this: He never said that God is able to build you up. The instrumentality that he uses to build you up is the word of His grace. The word of God can build you up financially, it can also build you up in your mind in such a way that you see life differently. I thank God for one thing in my life and that is the perception that I have on life and His word. In any situation, the response of that time is to act negatively based on the emotions of that time.

Now look at Jesus: He was walking on water and the winds were boisterous even the disciples were afraid and terrified. Peter says to the Lord 'If it be you bid me that I may come' And the Lord allows him. The bible says that Peter walked on the water to Jesus but when he saw that the winds and the sea were boisterous and Peter feared and he sank in the water. Did not Jesus see that the wind was boisterous? Peter was sinking in the same water that Jesus was walking on.

The water that Peter sank in is the same waters that Jesus was sustained on. We get different outlooks on life based on our perception. How you think will largely determine how you would live. You find your life going down, you want to walk but you are sinking solely based on how you think. If your thoughts are contrary to your wants your life will go down, was it Peter's desire to sink? His thinking was contrary to what he wanted.

That is what's happening with many of us: we don't want to be financially constrained but that is what's happening. Many say that 'I don't want to be poor, and financially bound but you find that the situation is perpetuating. It is not all about what you want but how you think.

In this world your prosperity is largely dependent on how you think and by the quality of your thoughts. The word is able to build you up and give you an inheritance. The word can't give you anything until it builds you up, we do not have because we are not built up.

God wants to bring us into a realm of financial freedom but he can't because we are not yet fully furnished and built up. If he brings us there now without the word having fully furnished us, the wealth would destroy us. If God gives you a billion today it would destroy you, you would stop loving God and stop coming to church and start thinking that you are bigger than God but He gives us His word to build us up. The

word actively builds us up spiritually, mentally and emotionally, some people need the word of God to govern their emotions. Sometime or most of the times their emotions gets them into trouble by saying things that they did even mean and later regretting what they said.

The Word of God gives you the ability to govern your emotions, there is more to prosperity than physical or material success. The Lord Jesus said “Life is not in the abundance of possessions...” there is more to life than that which is seen. There are some parents when they die, they leave their children a trust fund and the trust is kept safe until the child has grown to be able to inherit and manage the trust for themselves. If the child is still young, a lawyer will be appointed to manage the fund. The lawyers use the money in the trust to take the child to school providing for the needs of the child until he is of age. Why don't they give the trust to the child while he is still young? Because he will mismanage it.

You are blessed when your parents have left you an inheritance. You have an inheritance and he says that your inheritance is among those who are sanctified. Until your heart is circumcised of the love for money and desire for riches forget about handling great wealth. You are not legible for your inheritance until you register for sanctification, an un-sanctified life is a disqualification for your inheritance. So you can pray and fast as much you can but until you are sanctified you are not eligible for your inheritance.

Proverbs 22:7 (NKJV Strong's) The rich rules over the poor,

And the borrower is servant to the lender.

The rich will rule over the poor and the borrower is slave to the lender that is principle. If you are ruled that means your whole life is indebted, you are ruled by your inability to produce more. When you are poor it is the rich that decide how far you will go and how high you will reach, do slaves decide how much they want to earn for their labor? Surely not, workers are slaves to the masters and the masters determine how much they earn.

Don't let your financial life be ruled over by someone. It is your life, you must choose what to do. No men or women ever write a will and said I am living my life as an inheritance; no that is imposable. Men can transfer anything but excluding life.

Don't be governed over but you must govern because the world that we live in is run and ruled by the monetary and financial systems forget politics. It is not political infrastructure but economic infrastructure that governs the world. The more financially independent you are the greater your voice in the sphere of society. When you are financially independent the more the sphere of choice increases, you no longer go to the flea market to buy but to the boutique because you are outside the optional range. When you are financially constrained the circumstances regulate your choice, it is actually a sin to be regulated by circumstance as a child of God.

God has placed in us the ability to acquire and you don't need to struggle to become wealthy. Start where your passion is and develop yourself in your gifting, observe the lives of Daniel, Shadrach, Meshach and Abednego. They learned all the language and the wisdom of the Chaldeans and when the King came to enquire, he found them to be ten times more wiser than anyone all Babylon and that gave them an advantage. Daniel served as governor and prime minister throughout three kingdoms that reigned over Babylon.

Wisdom has a price and you must have a heart for wisdom, and one's youth is an opportunity to learn as much as one can stay in the scheme of things. While you are still young put all your energy to acquire knowledge and understanding and work in implementing the knowledge that you have acquired. The one who has no dream will work all his life in fulfilling another man's dream. Seek thou a diligent man for he shall stand before kings and not mere man.

Proverbs 13:22 (NKJV Strong's) A good man leaves an inheritance to his children's children,

But the wealth of the sinner is stored up for the righteous.

A good man lays up an inheritance for his children's children and if there is no inheritance that you have laid up for your children's children this means that you are not a good man. Now you understand why I spoke to you about the failure of Africans. Our elders have not cultivated in us the culture of hard work. It is a curse if a child sits with his parent the entire day and they both are not working cultivating and producing.

If that is so this means there is no inheritance in the family and that is a curse, the

bible says that: “Train up a child in the way that he should go that when he is older he will not depart from it”

Training sometimes it is not pleasant and some parents left their children to raise themselves. When you train a child you take him and you show him what must be done.

Galatians 4:1-2 (NKJV Strong's) Now I say that the heir, as long as he is a child, does not differ at all from a slave, though he is master of all, 2 but is under guardians and stewards until the time appointed by the father.

God has laid up for us an inheritance for all His children because we are joint heirs with Christ and all things belong to the Lord. Christians still cry of their poverty and lack but we are joint heirs with Christ. The earth is the Lord's and the fullness and the Father desires to bring all the wealth of the earth under our stewardship but he says that as long as you are still a child in thought the Father can't entrust the wealth and all His kingdom to you. If you're not a thinker you are not trustworthy to handle the wealth of the Kingdom. You cannot handle wealth unless you have fully developed your mind, you will continue living the slave life and the slave life is painful.

It helps to have money and stop living under the notion that money is nothing. When you pray you make power available and when you have finished praying use the power that has been made available to you by prayer. Did Jesus spend all his time praying? No, he spent all His time working because He had a vision and that vision needed to be fulfilled. The principles on which wealth is built on doesn't involve prayer but what prayer does is that it opens up your mind to God and to the reservoirs of His wisdom then your hands and your mind should go and fulfil it.

In life we must be grateful for where we are but unsatisfied because complacency is dangerous. We must be diligent with our minds and our spirits that God may use our hands to help other man and woman. There is enough food on this earth that can feed everyone but there are many that die of hunger. Let us open our minds to God that He may use us to help feed His people. The wicked rich people want poor people to die because according to them the poor are filling up the world that is the reason they create lab diseases that we see today all around our nations.

The blessing enables you to do, the blessing of God works this way: For instance you are a farmer and each year you produce five hundred trees when the blessing

comes it ensures that you don't only produce five hundred trees but one thousand five hundred the blessing expands on your production. You can do much more than pray when you have received the blessing, you are compelled to expand multiply and produce. Where do you start? Start where your passion is then cultivate and grow it. Get wisdom because wisdom is the principle thing and wisdom is the only one that can elevate you. Jesus has been made wisdom to us from God.
